OVERVIEW

The 52' Tiara is an exceptional yacht, ideal for family weekends on the islands. Its spacious design features two generously sized staterooms, two heads, and a roomy salon area, all while maintaining a sleek express style.

As you step onto the expansive swim platform, the yacht's impressive size becomes evident. A cleverly concealed davit is integrated into the platform, allowing you to easily lift your large tender aboard. From the swim platform, you transition into the lower cockpit, where forward and aft-facing settees create a welcoming space. Two hydraulic tables rise from the deck, perfect for entertaining guests, while the forward settee conveniently lifts to provide access to the engine room.

Ascend the starboard side steps to the helm area, which features a complete control station, dual Stidd helm seats, and a spacious L-settee. This area is equipped with a TV, wet bar, and refrigerator, ensuring your guests are well taken care of. Moving forward, descend the central staircase to the expansive salon and galley. Despite being an express yacht, the lower salon and galley offer the spaciousness typically found in much larger vessels. The well-appointed staterooms, each with their own heads, make this yacht a fantastic choice for extended cruising adventures.

Twin Cat 800hp engines (1,600 hours)

Sea Recovery watermaker

Onan Generator (1,570 hours)

Charles Marine Isolation transformer

Reverso oil change system

Glendinning cable master
