OVERVIEW

Premier Superhawk 55 — the most bespoke brokerage example in the United States

Now lying in Miami and available for immediate showings, this LLC-owned Sunseeker Superhawk 55 marries the refinement of a luxury motor yacht with the exhilaration of an open sport yacht, express cruiser, and high-performance dayboat. Twin Volvo IPS 950s, with exceptionally low hours and Dock Assist, provide intuitive, effortless handling, while freshly laid natural teak enhances every step on deck. A sophisticated gray hull is complemented by an Isinglass forward enclosure and a full cover suite that together create a polished, protected silhouette. Onboard security cameras add peace of mind, and an upgraded JL Audio sound system with convenient remotes fills the cockpit and saloon with premium sound. In the saloon, enhanced TV and speaker upgrades deliver cinematic clarity, and Starlink satellite internet ensures high-speed connectivity worldwide.

Equally appointed for comfort and speed, a custom convertible sofa increases sleeping accommodations to six, and plentiful wireless phone chargers keep devices powered throughout the vessel. Covered by a full Sunseeker warranty with an extended option available, this high-spec sport cruiser is comprehensively outfitted with advanced technology and top-tier finishes. A standout among brokerage yachts for sale, it is the discerning choice for those seeking a sleek, modern weekend cruiser with true superyacht attitude.
