DETAILED DESCRIPTION

Description

Crafted for both long-range cruising and true liveaboard comfort, BLESSED makes the most of a substantial 17'3" beam to yield exceptional interior volume. The layout presents four staterooms, a full-width salon and a pilothouse deliberately separated from the main entertaining areas to preserve privacy and operational focus. An extended aft deck functions as an inviting stern "patio" with convenient exterior access to the swim platform, promoting a smooth flow between interior and exterior living. Twin 735 hp 8V92 Detroit Diesel engines provide confident, composed propulsion, allowing comfortable cruising in the 19-20 knot range. A 20 kW generator supports comprehensive systems that include full A/C, a Naiad stabilizer system and a well-appointed galley with a stand-up refrigerator-freezer, dishwasher and oven. Below deck a dedicated laundry space houses separate washer and dryer units alongside a water maker, ensuring autonomy on extended passages. These classic cruisers remain highly sought after by those navigating the Great American Loop and liveaboard owners who prize generous space, proven capability and enduring design.
