## OVERVIEW

---

LA MORE presents a superbly cared-for example of the Sunseeker Manhattan 56, combining a classic silhouette and refined detailing with a family-oriented layout and assured seakeeping. Launched in 2003 by the acclaimed British yard Sunseeker, this flybridge motor yacht blends elegant cruising comforts with the everyday practicality expected of a family cruiser. Measuring 61'2" (18.64m) LOA, LA MORE retains the Manhattan line's popular three-stateroom, two-head arrangement that helped define the model's success. Rich, high-gloss cherry joinery elevates the interior, bathing the salon and accommodation spaces in a warm, sophisticated tone, while well-considered storage and abundant natural light improve livability and privacy for owners and guests. The generous aft cockpit is designed for alfresco dining and convivial entertaining, and wide walkaround side decks allow safe, easy passage around the yacht. Above, the spacious flybridge provides excellent visibility and extensive seating, an ideal vantage for relaxing or hosting whether underway or at anchor. A hydraulic swim platform ensures smooth access to the water and simplifies launching a tender or toys. Driven by twin Caterpillar C12 700 hp engines, LA MORE offers strong open-water performance alongside the reliability, efficiency and refined operation synonymous with Cat diesels, delivering a quiet and confident ride across the rev range. With a Category B offshore rating, she is well equipped for extended coastal cruising and island-hopping in comfort and safety.
