OVERVIEW

Galeon 560 FLY | 2024 | Galeon Yachts | 560 FLY | 56 ft

Impeccably specified for effortless cruising and sophisticated entertaining, this Galeon 560 FLY harmonizes power, poise, and polish. Twin Volvo Penta D13-900s (approximately 430 hours) deliver confident performance, enhanced by a Seakeeper 9 gyro, bow and stern thrusters, and a hydraulic movable beach platform finished in Permateek.

The flybridge beckons long, sunlit days with an electric grill, icemaker, top-loading refrigerator, additional forward speakers, and a full-front Admiral Canvas Isinglass enclosure. Raymarine Axiom XL displays grace both helms, complemented by Raymarine autopilot, VHF/AIS, a 4 kW open-array radar, CP370 transducer, augmented reality and rear-view cameras. Connectivity and security are robust with Starlink, XM radio/weather, and a GOST security and camera system. Underwater LED lighting enhances evenings at anchor.

The salon exudes refinement with exclusive Eucalyptus Nero matte wood flooring, a soundbar, and a 50-inch smart TV. The master benefits from custom power-lift beds and updated mattresses; the VIP mattress is updated as well. Practical comforts abound: Roman blinds, a washer-dryer in the master corridor, extra storage drawers, additional power outlets, plus supplementary refrigerators in the galley and master cabin.

A 10 ft 6 in Walker Bay tender with Yamaha 40, stereo, and a new 9-inch Garmin extend the adventure. Systems are reinforced by an ElectroSea water chiller/chlorinator, reserve water tanks, and an extra water intake screen.

Meticulous care is evident: washed biweekly, polished and ceramic coated on a regular schedule, with teak sanded, sealed, and maintained. Recent service includes a system flush, Barnacle treatment, and hull pressure wash. In February 2026 the hull received ablative coating and the running gear a speed coating.
