OVERVIEW

Galeon 560 FLY by Galeon Yachts, 2027, 56 feet LOA. Bold yet playful lines grant this yacht an assertive stance, with a beam that extends forward to amplify interior volume on the accommodations level. Extensive hullside glazing and expansive main-deck windows create an airy, contemporary character, while sculptural bridge accents impart a floating, dynamic profile—silhouette and presence that linger long after she passes.

Unrivaled power and refinement define the experience, powered by advanced twin MAN V8 1200 hp engines for poised, exhilarating performance and a composed ride. Step aboard to encounter craftsmanship expressed in sleek exterior surfaces and meticulously finished interiors—spacious layouts, premium materials, and precise detailing that elevate every moment underway or at anchor. Luxurious amenities and state-of-the-art technology enhance comfort for hosting or unwinding in quiet indulgence.

Design traits and onboard features that won’t be found anywhere else.

DETAILED DESCRIPTION

Included Options

Galeon 560 FLY, year built 2027 by Galeon Yachts, model 560 FLY, length overall 56 ft, is offered with a curated suite of factory and dealer-supplied equipment and finishes. An upgrade to Volvo Penta engines is included, featuring two D13-900 units paired with digital 7" displays. A rope decorative screen is fitted in the saloon, while the Mediterranean Design Package in Ocean Eucalyptus Pearl matt paint is installed together with its Premium Package. Decorative teak and stainless-steel panels ornament the fly hardtop ceiling and the cockpit ceiling. Teak accents grace the bathing platform, the cockpit deck and balconies, the flybridge steps, the flybridge, and the side decks. The Comfort Pack options are applied, including bow and stern thrusters with variable speed and a Cablemaster. Black plissé blinds adorn the entrance door, and covers for the front window and side windows in black net structure are supplied. Dedicated covers are provided for the seats near the flybridge steering console, for the flybridge steering console itself, for the sofa on the flybridge, for the bow seating, and for the cockpit sofa.

The navigation and electronics complement comprises Raymarine multifunction displays: three Axiom XL 16 chartplotter/fishfinder units (two at the main station and one at the flybridge) with CP370 transducer B744V and a Magnum Open Array 4 kW 48" radar, plus an additional Axiom 12+ at the fly station. Raymarine communications and control equipment includes a Ray91 AIS+ VHF with VHF antenna and repeater on the flybridge, and Raymarine Evolution DBW autopilot with two p70rs control heads, EV-2 sensor core and EV-2 cabling kit. An upgraded Cyclone 4 ft open radar antenna is included. Two rear-view and engine compartment cameras are fitted, and a Raymarine augmented reality camera is installed.

Entertainment and interior systems feature an electric sliding LED HD 50" smart TV in the saloon with Blu-ray, a 50" LED TV with Blu-ray in the master cabin (Samsung), a 32" LED TV with Blu-ray in the bow cabin, and a soundbar system in the saloon. The audio package is upgraded with a Fusion RA770 unit in the saloon with remote on the flybridge, two subwoofers in the saloon, two 7.7" JL speakers in the cockpit and two 7.7" JL speakers on the flybridge, along with additional upgraded audio system components. Ambient LED lighting is installed in the master and bow cabins. Two underwater LED lights are fitted, with an additional pair supplied.

Comfort and galley fitments include the Luxury Pack options and the Beach Mode package. A hydraulic movable bathing platform with Permateek and swim platform chalks is installed. An electrical toilet is fitted in the crew cabin. Artificial wood flooring is installed in the saloon; wooden flooring is specified in the galley and saloon, with a wooden floor noted in the galley as well. A washer-dryer is installed in the master cabin corridor. An icemaker and an electric grill are fitted on the flybridge, and a fiberglass foldable table is fitted in the aft cockpit. A dishwasher is installed in the galley. Additional refrigeration includes an extra fridge in the master cabin, an extra fridge in the galley, and an additional top-loading fridge cube (40) in the fly bar. Drawers have been added to seat bases on the starboard side under the window. A cabinet with vanity mirror is fitted in the master.

Safety, stabilization and crew equipment include a Seakeeper 9 gyro stabilizer. A safe is fitted in the master cabin. Crew accommodation is fitted with an electrical toilet. Seating arrangements feature an L-shaped sofa on the flybridge. The vessel also showcases an upgraded surface-sound headliner by W/G3 Acoustics in the saloon/galley and two Fusion RA770 remotes on the fly.
