OVERVIEW

2025 56' HCB Sueños GIX

MAJOR PRICE ADJUSTMENT

EASY TO VIEW IN FORT LAUDERDALE, FL

Commissioned by a four-time HCB owner and appointed with every available premium option, this 2025 56' HCB Sueños GIX embodies the ultimate luxury yacht tender. The latest-generation 56 presents a sleek, contemporary profile that conceals serious capability, propelled by the upgraded Mercury V12 600 Series II outboards for effortless, confident performance on any horizon.

A testament to innovation, fine workmanship, and blistering speed, this large center console yacht stands at the pinnacle of the Super Center Console category. With added beam and a refined cabin, she elegantly shifts from an open Center Console to a comfortable weekender, providing genuine overnight capability wrapped in a performance cruiser package.

Meticulously outfitted inside and out, the Sueños GIX has been recently ceramic coated and features a freshly waxed hull, leaving her primed for low-maintenance ownership and a lasting, showroom gloss. Every element has been considered to simplify care while maximizing presence and durability.

This center-console flagship ushers in a new era of offshore excellence, setting a fresh benchmark with bold design and cutting-edge systems across the Center Console, Yacht Tender, and Sportfish-capable universe. For those who refuse to compromise, the Sueños GIX is more than a vessel—it is a high-performance luxury yacht experience built to roam where few center consoles dare, from relaxed coastal cruising to true bluewater adventures.

DETAILED DESCRIPTION

Features

Power surges with five Mercury V12 600 outboards that propel the yacht with effortless pace while the SeaKeeper Model 9 beautifully calms motion offshore, and Starlink Wi-Fi keeps you connected across the horizon. Precision handling is delivered through intuitive joystick control supported by robust bow and stern thrusters, including an upgraded proportional 24 V bow thruster integrated seamlessly with the Mercury engine joystick, all centered at a helm anchored by a comprehensive Garmin suite featuring radar, XM Weather, a twenty-four inch aft-facing display, upgraded twenty-four inch helm screens, and an AIS communication system with a transmit-silence switch complemented by a sonar upgrade to the GSD 28 module. Power requirements are met by an upgraded Fisher Panda fifteen kW generator, while the onboard soundscape is elevated by premium, upgraded JL Audio flush-mounted Luxe speakers. Comfort and craftsmanship define the command center with helm air conditioning, Release Marine triple helm seats with teak ladder backs and armrests finished in elegant diamond-pattern stitching, and an upgraded steering wheel with a stainless-steel rim, high-gloss teak insert and power knob, while a Kahlenberg dual air horn makes a commanding statement. Entertaining and convenience are equally considered: underwater lighting sets the scene, and an aft-facing seat integrates a sink to port and a grill to starboard with a pull-out wastebasket, all protected by a tempered-glass aft wind blocker; the transom seat includes dual twenty-five-gallon baitwells with molded armrests and cushioned transom cooler seats of thirty-eight qt to port and starboard for practical versatility. The luxury summer kitchen upgrade introduces an icemaker/refrigerator combo, an espresso machine, a blender, a large

dual burner electric grill with a stainless steel cover, a sink and a trash can, while a soothing rainfall shower adds refreshment aft. Shade is effortless with an electronic aft sun shade that recesses cleanly into the hardtop plus an additional sun shade with poles and storage bag. Serious anglers will appreciate forward gunwale mounted coolers, six electric reel outlets, Gem Lux outriggers with twenty two foot telescoping carbon fiber poles, and an upgraded array of rod holders. Finishing touches include custom hardtop gelcoat and engine paint, an interior rendered in modern light grey wood, and a midship cockpit table in high gloss teak with non skid that recesses flush to the floor; loaded with upgrades throughout, this yacht fuses performance, technology, and luxury into a single impeccably executed statement.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
