OVERVIEW

The Navigator Californian 56 Veneti, a U.S. built luxury motor yacht from Navigator Yachts, marries subtle European styling with sturdy American workmanship, presenting a generous, light washed interior finished in high gloss walnut and a hull tuned for poised, efficient performance. She sleeps two well proportioned staterooms each with private ensuite facilities, and her practical port side galley looks across to a welcoming starboard salon, the entire arrangement conceived for comfortable long range cruising by couples or families along the coast. Cruising passages typically run near 22 knots with a top end in the 30 knot range, yielding brisk passages and a smooth, assured ride appropriate to a premium motor yacht. Meticulously maintained by her owner, she is reported in excellent operating condition and ready to cruise, appealing to aficionados of flybridge and pilothouse refinement.

DETAILED DESCRIPTION

Electrical equipment

Reliable onboard power begins with a hardworking generator and a convenient shore power inlet, ensuring seamless energy management whether you are underway or at the dock; the integrated electronics suite elevates safety, comfort, and enjoyment with a precise autopilot for effortless passages, cockpit speakers that bring your soundtrack on deck, a clear, dependable compass for true bearings, a TV set for relaxed downtime, and a VHF for crisp, confident ship-to-ship and ship-to-shore communication.

Inside equipment

Thoughtfully appointed for extended comfort, the interior features efficient air conditioning for perfect climate control and a battery charger to keep ship's systems ready whenever you are; a bow thruster provides confident maneuvering in tight marinas, while an electric bilge pump safeguards the bilges with dependable automatic drainage, and daily living is made effortless with hot water on demand, a practical marine head, a microwave oven for quick meals, a refrigerator to keep provisions fresh, and a washing machine that brings home-style convenience to life on the water.

Outside equipment/extras

Life on deck is inviting and effortless, with plush cockpit cushions for relaxed lounging, a refreshing cockpit shower after a swim, and a solid cockpit table that transforms the space for open-air dining; handling and tender operations are made smooth and secure by robust davits and the power of an electric winch, while a sturdy swimming ladder offers easy, graceful access to the sea.
