OVERVIEW

Initial listing — October 2025. Additional photos to follow.

Step aboard Gaia, a meticulously maintained 2017 Sunseeker Manhattan 52, and you will find a consummate example of one of Sunseeker's most sought-after flybridge motor yachts. The interior is arranged with a three-stateroom layout plus aft crew quarters, while reliable shaft-drive propulsion is supplied by twin Volvo Penta D11 engines rated at 725 hp each, offering confident performance for both coastal hops and longer passages. A fixed hardtop shelters the flybridge, which is further enhanced by a retractable awning, and the yacht benefits from a SeaKeeper gyro stabilizer for exceptional comfort at anchor or underway.

Navigation and systems have been updated with new EVO 3S chartplotters, and the living spaces are appointed with teak decking throughout and a full-beam master suite aft. Practical conveniences include a hydraulic swim platform suitable for a tender or jet ski, a 55-inch rise-and-fall salon TV, washer/dryer in the crew area, new air-conditioning units, and an onboard watermaker. The aft deck has been fitted with the "Beach Club" package to extend the entertaining space. Winner of the 2017 Motor Boat Awards — Best Flybridge up to 55 ft — the Manhattan 52 is a refined flybridge motor yacht and luxury motor yacht, ideal as a family cruising yacht and power yacht for both coastal cruising and bluewater adventures.

DETAILED DESCRIPTION

Construction

Crafted with hand-laid GRP, the structure is finished in a premium gel coat, complete with perfectly faired stripes. A vinylester skin coat with powder-bound mat creates a resilient osmotic barrier, while the bottom is executed as a robust single-skin laminate reinforced with stitched multi-axial fabrics for superior strength and impact resistance. The deck and superstructure are engineered with a PVC foam core to deliver exceptional stiffness, thermal efficiency, and acoustic comfort, and the hull is further fortified by longitudinal stringers tied into transverse bulkheads and floors, ensuring unwavering rigidity, precise handling, and a remarkably quiet, assured ride.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
