### 1975 Navalia detailed description

Built in 1975 and refitted in 2020, this 17,25 m timber classic presents an elegant blend of traditional construction and comfortable, economical cruising at nine knots, with a 4,90 m beam and 2,00 m draft that give her pleasing proportions. Born at the Nautalia shipyard in Portugal, she carries 5.000 L of fuel and 1.500 L of fresh water with a consumption of around 30 L/h, is driven by two Fiat Aifo 145 hp engines and supported by two 9 kVA generators, while Vosper cruising stabilizers provide steady handling under way.

Accommodation is arranged in three cabins for six guests, each with ensuite bathrooms — six berths in total — and day cruising comfortably accommodates up to ten people; the vessel is operated by a crew of two who are housed in one cabin with ensuite. Air conditioning and onboard entertainment, including a salon TV, stereo and a portable Bluetooth speaker, enhance comfort, and a Gommonautica RIB 3,70 m with a 40 hp Yamaha outboard serves as tender. Type categories: classic motor yacht, luxury yacht, vintage yacht, displacement cruiser, stabilized motor yacht, charter ready.
