OVERVIEW

A re-envisioned masterpiece, ready to enthrall a new generation of aficionados, this Ferretti Yachts 550 invites you to rediscover the sea with a refreshed incarnation of a cherished fleet classic. Its most striking elements have been elevated by an even more refined interior, the result of collaborative finishes with celebrated Italian luxury houses, creating an atmosphere of understated opulence throughout.

Beneath her lines lies a uniquely original hull design that marries performance and poise, while versatile interior configurations allow the layout to adapt to varied tastes and needs. The engine rooms are arranged with deliberate forethought to optimize balance and serviceability, reinforcing the yacht's measured functionality. Visually, sweeping deck glazing sculpts the profile with panache, and expansive hull windows are integrated into the exterior, pouring light into the cabins and framing panoramic views. Flush-mounted portholes, devoid of fiberglass frames, complete the clean, seamless aesthetic.

The lowered flybridge and the newly conceived forward lounge on the wheelhouse create intimate outdoor retreats, offering private spaces for relaxation without disturbing the yacht's fluid, graceful lines. Combining luxury and timeless elegance, the 550 stands as a vessel destined to endure. For those contemplating a yacht for sale, this example, available at its current boat location, presents a rare opportunity to acquire a craft that balances style with substance.
