DETAILED DESCRIPTION

Details

Presented in pristine, almost-new condition, this 2025 Prestige F5.7 combines contemporary styling with generous living areas and assured performance. At an overall length of 17.29 metres she is designed for comfortable extended cruising; extensive glazing on the main deck floods the interior with natural light, creating a bright, sweeping saloon with panoramic views. The aft galley opens directly onto the cockpit to create a seamless sociable flow between interior and exterior spaces, providing expansive areas for entertaining both inside and out.

The hard-top flybridge forms an impressive entertaining platform, featuring plentiful seating, a dedicated dining area and a raised helm position, with further outdoor lounging zones for guests. Below decks the layout sleeps up to six guests across three cabins: a roomy owner's suite, a well-appointed double guest cabin and a twin cabin, while a separate crew cabin enhances privacy and practicality for longer passages. Propulsion is provided by twin Volvo Penta D8-600 engines, each producing 600 hp, coupled to the Volvo Penta IPS 800 drive system for modern, responsive handling; with only 360 engine hours, this yacht offers a near-new ownership opportunity without the delay of a new build. Located in Turkey and flying the British flag, she is offered for sale at €1,345,000, EU VAT not paid. A video is available and offers are invited; further information and viewings can be arranged on request.
