OVERVIEW

We are thrilled to introduce this remarkable 2021 Ferretti 550, now available for purchase from her second private owner. Crafted with meticulous attention to detail and maintained to the highest standards, this yacht has been under professional care since her delivery, ensuring she is in pristine, ready-to-sail condition.

Blending modern Italian aesthetics with robust performance and clever space utilization, the Ferretti 550 is a highly coveted model in the luxury yacht category. This particular vessel is distinguished by a comprehensive array of factory enhancements, including Seakeeper gyro stabilization, upgraded audio-visual and navigation systems, tropical air conditioning, and a hydraulic swim platform.

Featuring three elegantly designed guest cabins, including a full-beam master suite and separate crew quarters at the aft, she is ideal for both owner-operators and those who prefer to cruise with a crew.

This is a unique chance to buy a late-model Ferretti 550 with minimal usage, an impeccable maintenance record, and complete documentation. Currently located in Marmaris, she is ready for immediate viewing.

DETAILED DESCRIPTION

Specifications

Introducing the exquisite Ferretti Yachts 550, a masterpiece of nautical engineering and design. This stunning vessel, built in 2021, boasts a length of 17.42 meters (57 feet 2 inches) and a beam of 4.82 meters (15 feet 10 inches), offering ample space and comfort for its passengers. With a draft of 1.3 meters (4 feet 3 inches), this yacht is designed for both performance and elegance on the open ocean.

Crafted by the renowned Ferretti Group, the 550 model features the expertise of Studio Zuccon International in its exterior design, ensuring a sleek and modern aesthetic. The yacht's hull and superstructure are constructed from GRP fiberglass, finished in a classic white color, and configured for planing, providing a smooth and efficient ride. Classified under CE Class A - Ocean, this vessel is built to withstand the challenges of the sea.

Powered by two MAN i6-800 engines, each delivering 800 horsepower, the Ferretti Yachts 550 can reach a maximum speed of 30 knots, with a comfortable cruising speed of 25 knots. The yacht's fuel capacity is 2,498 liters, ensuring extended voyages, while the water capacity of 681 liters, along with grey water and holding tanks of 300 liters and 170 liters respectively, provide all the necessary amenities for a luxurious journey.

Accommodating up to six guests, the yacht features three elegantly appointed cabins, including two doubles and one twin, ensuring a restful and private retreat. The crew is also well-catered for, with dedicated cabins and berths for two. The vessel flies the flag of St. Kitts & Nevis, symbolizing its international pedigree and appeal.

With a gross tonnage of 55, the Ferretti Yachts 550 is a testament to superior craftsmanship and design, offering an unparalleled yachting experience for

those who seek the ultimate in luxury and performance on the water.

Machinery

The Ferretti Yachts 550 is powered by a robust machinery setup that ensures both performance and reliability on the water. At the heart of this vessel are two MAN i6-800 engines, each delivering an impressive 800 horsepower. These engines have clocked 815 hours, demonstrating their proven capability. The power is transmitted through standard ZF reduction gearboxes, utilizing a direct shaft drive system for efficient propulsion.

Electricity needs on board are met by a Cummins Onan generator with an output of 19kW, which has accumulated 2600 hours of operation. This generator consumes fuel at a rate of 15 liters per hour, ensuring a steady supply of power for all onboard systems. The yacht is equipped with a shore power system compatible with 220-240V / 50Hz EU standards, providing flexibility when docked.

Comfort is paramount, and the Dometic Tropical Air Conditioning System with a heating function ensures a pleasant climate in all conditions. For water independence, the yacht features an Idromar water maker capable of producing 130 liters per hour, allowing for extended voyages without the need for frequent resupply.

Stability and maneuverability are enhanced by the Seakeeper 6 Gyro stabilizers and Quick bow thruster, which are complemented by the XENTA joystick control available at the inside helm, flybridge, and aft cockpit docking station. The hydraulic steering system, accessible from both the inside and flybridge helm stations, provides precise control, making navigation a breeze. This comprehensive machinery setup ensures that the Ferretti Yachts 550 delivers an exceptional yachting experience, combining power, comfort, and advanced technology.

Navigation systems

The Ferretti Yachts 550 is equipped with state-of-the-art navigation systems, ensuring a safe and efficient journey on the water. At the core of its navigation suite is the Simrad Broadband G4 radar, providing precise and reliable detection of surrounding vessels and obstacles. Complementing this is the Simrad OP12 autopilot, which offers seamless course management, allowing for relaxed and confident cruising.

For enhanced visibility in low-light conditions, the yacht is fitted with a Flir night vision system, ensuring safe navigation even after sunset. The dual multifunction displays (MFDs) located both inside and on the flybridge are connected to the radar, offering comprehensive situational awareness and ease of access to critical navigation data.

The Simrad navigation suite also includes wind, speed, and depth logs, providing essential information for optimal sailing performance.

Communication is facilitated by Simrad VHF radios installed at both helm stations, ensuring clear and reliable contact with other vessels and maritime authorities. Additionally, the yacht is equipped with a Class B AIS system, enhancing safety by allowing the identification and tracking of nearby ships.

This advanced array of navigation systems on the Ferretti Yachts 550 ensures that every voyage is conducted with precision, safety, and peace of mind, making it an ideal choice for discerning sailors.

Entertainment systems

The Ferretti Yachts 550 offers an exceptional entertainment experience, ensuring that every moment on board is filled with enjoyment and relaxation. The video equipment is thoughtfully integrated throughout the yacht, featuring a 42-inch screen in the saloon, a 32-inch screen in the master cabin, and another 32-inch screen in the VIP cabin. All screens are connected to the TV5

satellite system, providing a wide array of viewing options to suit every taste. For audio entertainment, the yacht is equipped with a Fusion AV750 system paired with high-quality speakers, delivering crystal-clear sound throughout the vessel. Whether you're hosting a lively gathering or enjoying a quiet evening, the audio system enhances every occasion with its superior performance.

Connectivity is seamless with the onboard WiFi router, allowing guests to stay connected with the outside world or stream their favorite content effortlessly. Additionally, all bedding, linen, and towels are provided by Ferretti Yachts, ensuring the highest standards of comfort and luxury.

This comprehensive entertainment setup on the Ferretti Yachts 550 ensures that every journey is as enjoyable as it is luxurious, making it the perfect choice for those who value both relaxation and entertainment on the high seas.

Galley & laundry equipment

The Ferretti Yachts 550 is equipped with a sophisticated galley and laundry setup, ensuring that all culinary and domestic needs are met with ease and style. The main galley features top-of-the-line Siemens appliances, including a micro-convection oven for versatile cooking options and a combined refrigeration and freezer unit to keep provisions fresh. A Siemens dishwasher ensures that clean-up is effortless, allowing you to enjoy your time on the water without worry. The galley is fully stocked with all necessary items from Ferretti Yachts, including plates, cutlery, and other essentials, ensuring a seamless dining experience.

In addition to the main galley, the yacht offers additional cooking facilities on the flybridge, where an electric grill is available for al fresco dining. A 42-liter fridge on the flybridge and an icemaker in the cockpit provide convenient access to chilled beverages and ice, perfect for entertaining guests or enjoying

a refreshing drink under the sun.

For laundry needs, the yacht is equipped with a washer/dryer, ensuring that all clothing and linens are kept fresh and clean throughout your voyage. This comprehensive galley and laundry setup on the Ferretti Yachts 550 ensures that every aspect of onboard living is catered to with the utmost convenience and luxury, making it an ideal choice for those who appreciate the finer things in life.

Deck equipment

The Ferretti Yachts 550 is outfitted with an impressive array of deck equipment, ensuring both functionality and elegance for every voyage. At the heart of its anchoring system is a Lewmar anchor windlass, complete with a counter at the helm stations for precise control. The yacht is equipped with two Lewmar aft warping capstans and a robust 35kg anchor, complemented by 100 meters of 10mm stainless steel anchor chain, providing secure mooring in various conditions.

The yacht features a concealed Opacmare hydraulic gangway, offering seamless access to and from the vessel, while the hydraulic swimming platform enhances the ease of water access and enjoyment. The sidedecks and cockpit are elegantly finished with teak, adding a touch of classic luxury to the yacht's exterior.

For comfort and protection from the elements, the yacht is equipped with a stainless steel frame bimini and canvas, complete with LED lighting, providing shade and ambiance. Additional shading is available in the bow area with poles and in the cockpit, ensuring a comfortable environment in all weather conditions. Waterproof covers are provided for all seats, cushions, tables, and surfaces, preserving the yacht's pristine condition.

The Ferretti Yachts 550 also boasts underwater and courtesy lighting

throughout, enhancing both safety and aesthetics. Safety equipment is comprehensive, including fire extinguishers, man overboard (MOB) equipment, and a liferaft, ensuring peace of mind for all on board.

This extensive deck equipment setup on the Ferretti Yachts 550 combines practicality with luxury, making it an ideal choice for those who seek both adventure and comfort on the open seas.
