OVERVIEW

“ARBITRAGE” is a meticulously preserved 2017 Sunseeker Predator 57, an emblematic sport yacht and express cruiser presented in virtually showroom condition both inside and out, with maintenance fully current so she is genuinely turn key and ready to cruise. Recent servicing in June/July 2025 included fresh bottom paint with PropSpeed, a complete hull and deck buff and wax, computer tuned propellers, a comprehensive engine service (~\$20K), new soft goods throughout, installation of a new stern thruster, a JL Audio premium stereo upgrade, and Starlink satellite internet—each item reflecting attentive ownership and preparation for immediate enjoyment.

Beneath her sleek profile she is propelled by twin Volvo Penta D13-900 engines on straight shafts (no pods), a combination that delivers assured, efficient performance with brisk acceleration and poised handling. With approximately 1,650 engine hours and a meticulous service history, this performance motor yacht instills confidence for extended passages or spirited day cruising alike.

The Predator’s celebrated indoor outdoor connectivity is showcased by the electric drop down aft door and window, which unite saloon and cockpit into a fluid, expansive entertaining space. The accommodation plan centers on a full beam owner’s suite within a three cabin, two head layout, offering refined finishes and excellent privacy—an ideal arrangement for prolonged stays aboard. Open air pleasures are enhanced by the fully opening hardtop over the saloon and generous fore and aft sunpads, while a well equipped on deck wet bar with grill, sink, and refrigeration keeps hosting effortless and the tender garage provides practical storage for beach runs and watersports.

Built with Sunseeker’s renowned fit, finish, and sea keeping, this luxury motor yacht harmonizes elegance, performance, and reliability. For those seeking a refined hardtop coupe and performance cruiser that is truly ready to go, “ARBITRAGE” merits close consideration. Select quality trades considered.
