OVERVIEW

DESTINED FOR FLORIDA

The Bertram 570 Convertible represents a remarkable advancement from the iconic Bertram 54. This yacht for sale features an extended hull, adding an extra 3 feet to the aft, allowing for smoother navigation and a cruising speed of around 33 knots. With more robust engine options, you can achieve speeds exceeding 40 knots. It is powered by twin C32 Caterpillar engines with just 1000 hours of use.

The 570 showcases Bertram's latest design elements, though its superstructure is slightly more traditional compared to the Bertram 510 and 450 models, offering a visually pleasing balance. It maintains a classic yet assertive look reminiscent of the 54.

Inside, the cabin is more spacious than its predecessor, catering to fishing enthusiasts with a central rigging station equipped with a sink, freezer, and live well. Additionally, there is a removable fish box on the deck and another at the stern, complete with a transom door.

Generators: Onan 13.5 kW with 1200 hours

Kohler 15 kW with 1500 hours

Sea recovery desalination system with dual membranes

Updated Simrad electronics

3 luxurious cabins

3 elegant bathrooms

Exquisite luxury finishes

Explore yacht sales in the current boat location and seize the opportunity to buy a yacht that combines performance with luxury.
