## 2019 SUNSEEKER PREDATOR 57

Discover the epitome of luxury and performance with the 2019 Sunseeker Predator 57. This stunning yacht boasts a sleek profile and state-of-the-art features, offering a flawless fusion of elegance and comfort.

Spanning 57 feet in length and powered by twin Volvo D13 900 engines, the Predator 57 provides exceptional speed and agility on the water, making it the ideal vessel for thrilling adventures or peaceful cruises.

Step aboard to find a spacious interior adorned with high-end finishes, including luxurious Black American Walnut cabinetry, plush upholstery, and modern amenities. The main deck features an inviting saloon with large windows that flood the area with natural light, creating a bright and open atmosphere.

The fully equipped galley is perfect for preparing gourmet meals, while the comfortable dining area and lounge offer the ideal space to relax and unwind. Below deck, you will discover three lavish cabins, including a master suite and two guest rooms, all thoughtfully designed for ultimate comfort and privacy.

The exterior spaces are equally impressive, featuring a generous cockpit and sunbathing areas designed for leisure and socializing. Whether hosting guests or enjoying a peaceful day at anchor, the Sunseeker Predator 57 promises an exceptional experience.

Sail the seas in style with this extraordinary yacht, where luxury effortlessly merges with performance. Ideal for families or couples eager to create unforgettable memories on the water.

This yacht for sale is situated in the current boat location, presenting an excellent opportunity for those seeking to purchase a yacht. Don't miss the chance to indulge in yacht sales in the current boat location!

## Foredeck

---

The foredeck of this yacht exemplifies both practicality and opulence, crafted to elevate your nautical adventures. It includes a black mesh windscreen cover, offering extra protection from the elements. For those who value ease, the freshwater deck wash system provides a simple solution for maintaining the deck's cleanliness, keeping it immaculate with little effort.

Anchoring is reliably secured with a Lewmar 25kg galvanized Delta anchor, paired with 60 meters of 9.5mm galvanized anchor chain, ensuring confidence during mooring. The navigation light, finished in black, not only enhances the yacht's visual appeal but also ensures visibility, adding a sophisticated touch to its design.

For sunbathers, the foredeck is outfitted with plush Silvertex Plata sunbathing cushions. These cushions feature adjustable folding backrests, offering the ultimate in relaxation while you bask in the sun. To enhance your leisure time, the audio system includes a Fusion MS-NRX300 zone remote and two Fusion AM-FR402 marine speakers, providing superior sound quality throughout the foredeck.

The anchoring process is further streamlined with the Lewmar V4GD-24V anchor winch, ensuring smooth and efficient operation. As evening falls, the low-level LED side deck lights, eight on each side, emit a gentle, ambient white glow, creating a tranquil setting.

Lastly, the sliding glass cockpit door, equipped with a drop-down mechanism, fully opens the cockpit area, facilitating seamless indoor-outdoor living. This feature enhances the yacht's adaptability, making it ideal for both intimate gatherings and larger social occasions.

## Platform layout

---

The platform layout of this yacht is expertly crafted to blend practicality with sophistication, ensuring a flawless experience for everyone on board. Central to this design is the hydraulic lifting platform, which can lift up to 450kg. This feature not only provides easy access to the water but also simplifies tender handling, making it an essential component for any sea voyage.

Keeping the platform in immaculate condition is simple with the convenient freshwater deck wash system outlet, ideal for rinsing gear and maintaining cleanliness. For swimming enthusiasts, the folding stainless steel bathing ladder, neatly stored under a GRP lid, offers easy water access while preserving a sleek look when not in use.

The integrated tender recovery roller system is tailored for the Williams RIB Turbojet 325, ensuring smooth and secure launching and retrieval. After a refreshing swim, the hand-held Whale Twister swimming shower offers a quick and easy rinse.

Power management is streamlined with the Glendinning Cablemaster, which facilitates power feed and recovery for the AC shorepower cable. This well-considered addition ensures that managing shore power is as seamless and efficient as the other features of the platform, enhancing the overall onboard experience.

## Cockpit layout

---

The cockpit design of this yacht is a perfect blend of elegance and utility, providing a lavish yet functional area for leisure and entertainment. The seating and aft sunbathing cushions are covered in Silvertex Plata, giving a sleek, contemporary appearance, while the roof and side panels finished in Silvertex Ice contribute to a bright and airy feel. Enhancing the comfort and style are scatter cushions, featuring two 22" x 22" Sunbrella cushions in Marble

with black piping for a chic contrast, and two in Black, self-piped in Marble for a subtle, cohesive look.

For privacy and protection, the rear camper is fitted with Sunbrella Plus Jet Black windows, and a black electric canopy offers convenient protection from sun and rain for the aft cockpit. The exterior engineering includes a water purifier for the ice maker, equipped with a Wave HiFlo 2 in-line filter system and a spare cartridge, ensuring a constant supply of pure, fresh ice.

The yacht's exterior fittings are crafted for enhanced functionality and aesthetics, with additional 10" oval mooring cleats on the aft lower edge of the hull band to improve docking capabilities. A stainless steel ensign staff and socket provide a polished nautical look, while the black-finished navigation light mast blade enhances the sleek design.

Docking is simplified with the aft docking station, which features second shaft drive throttles, thruster control, a multi-panel, and a horn, all updated via Vodia software. The water systems include a freshwater marina connection with a pressure regulator, ensuring a consistent water supply.

Teak decking throughout the cockpit offers a luxurious finish, complemented by a teak table with a folding top on a polished stainless steel leg, ideal for versatile dining and entertaining. The audio-visual setup in the aft cockpit zone includes a Fusion NRX200i zone remote and four Sonance Extreme VP65RXT speakers powered by a Fusion AM504 4-channel amplifier, delivering superior sound quality.

For outdoor culinary activities, the Kenyon Marine Electric BBQ grill is a practical addition, while the wet bar is equipped with a Vitrifrigo icemaker and a Waeco CR50 refrigerator, ensuring refreshments are always available. The exterior lighting features low-level white LED cockpit lights for subtle, ambient illumination, and the interior lighting is provided by stainless steel round bezel LED overhead lights (Quick Kia), offering modern, energy-efficient lighting.

## Deck saloon

---

The deck saloon of this yacht seamlessly combines sophistication with contemporary design, creating a lavish and inviting atmosphere. The wood finishes, crafted from Black American Walnut with a satin sheen, infuse the saloon with elegance and warmth, extending even to the ice chest lid. The upholstery choices elevate the refined ambiance, featuring roof linings in Eclipse White and window bands in Eclipse Platinum for a sleek, modern aesthetic. The seating area is adorned with Mercury Arata upholstery, providing a sophisticated, neutral palette, while Venetian blinds in a Gold Bullion alloy with 25mm slats offer an opulent window treatment.

Enhancing the comfort are scatter cushions, including two 22" x 22" cushions in Mercury Arata with Ice Orbit piping, two in Teal Veneto with self-piping for a seamless look, and two in Aqua Osprey, also self-piped for a cohesive, vibrant accent. Electrical sockets adhere to the USA-standard 110V AC with a 3-pin setup, ensuring easy access to power throughout the saloon.

The fittings are carefully selected, featuring polished stainless steel cabinet catches from Timage and Black Chrome switch/socket trims from Vimar Classic, adding refined touches throughout. Dual 16,000 BTU air conditioning units maintain a cool and comfortable environment, while the audio-visual setup includes a 40" Samsung television on a fall-and-rise system paired with a Samsung Blu-ray player for entertainment. The Fusion MS-AV750 CD/radio system with zone remote, infrared remote, and Speaker Craft stereo speakers provides exceptional sound quality.

For refreshments, an electric cooling unit for the top-loading Coolmatic TBSC-100 chiller is perfect for keeping beverages and snacks fresh. Interior lighting is delivered by stainless steel round bezel LED overhead lights (Quick Kia), offering sleek illumination, with dimmer switches on overhead lights for adjustable ambiance.

Special features include a sliding glass cockpit door with a drop-down mechanism at the seating area, allowing the cockpit to fully open and seamlessly integrate indoor and outdoor spaces. The luxurious feel of the area is further enhanced by Cadorn hardwood flooring in Wenge with a satin finish, featuring 140mm wide planks installed in the deck saloon and on the main stairs.

## Helm console

---

The helm console of this yacht seamlessly merges opulence with cutting-edge technology, crafted to offer the captain both comfort and precision. The helm seat is adorned in Nero Leather, highlighted by contrasting silver stitching in a diamond pattern, imparting a luxurious and sporty vibe to the helm area. To shield the instruments from the elements, a White Stamoid Light instrument cover is provided, ensuring durability and longevity.

The fittings are carefully selected, featuring Black Chrome switch and socket trims from Vimar Classic, delivering a sleek and modern finish that complements the overall design. The console panels boast a Piano Black effect, offering a glossy, premium look that enhances the sophisticated appearance of the helm.

Outfitted with state-of-the-art technology, the helm console includes a Simrad NSS12 evo3 12" multifunction touch screen chart plotter display, paired with a Simrad GS25 GPS for precise navigation. The Simrad IS42 Speed/Depth Instrument, along with a DST800 transducer, delivers accurate readings of depth, speed, and temperature. The autopilot system, featuring a Simrad QS80 pilot controller and display via IS42, integrates with either shaft or Volvo IPS, ensuring seamless control.

For superior situational awareness, the Simrad 4G Broadband Radar is included, along with a Simrad RS90 VHF Radio with DSC function for clear communication. Enhanced visibility is provided by a Jabsco Single Beam

searchlight with single station control. Real-time engine data is displayed on Volvo Penta twin 2.5" LCD displays, specifically for shaft engines.

Navigating tight spaces is made effortless with the Sleipner Side-Power SEP170/250T-24V bow thruster, delivering 10.7hp for precise maneuvering. This helm console is designed to ensure that every voyage is as smooth and enjoyable as possible, blending advanced technology with luxurious comfort.

## Galley

---

The galley of this yacht is a true marvel of design and practicality, exuding a warm and refined atmosphere with its Black American Walnut wood finishes in a satin sheen. The cabinet doors, both upper and lower, are embellished with a Gunmetal Metallic Lacquer in a glossy finish, creating a sleek, contemporary look that enhances the overall aesthetic. Upholstery selections further brighten the space, with roof linings and upper vertical panels in Eclipse White, while window bands in Eclipse Platinum offer a gentle contrast. The side linings beneath the top lockers are also in Eclipse White, ensuring a consistent style throughout the area.

The worktops are crafted from Minerva Grey Crystal with a glossy finish, providing a durable and stylish surface for culinary tasks. The flooring is composed of Wenge hardwood, finished in satin, with 140mm wide planks that add a luxurious touch to the galley. Venetian blinds in Gold Bullion with 25mm slats from the Sky-Venetian metal alloy range enhance the sophisticated ambiance of the space.

For convenience, USA-standard 110V AC 3-pin sockets are strategically positioned for kitchen appliances and gadgets. The fittings include polished stainless steel cabinet catches from Timage, offering a refined and functional touch, while Black Chrome switch and socket trims from Vimar Classic add a modern finish to the electrical fittings. The Hansgrohe Galley mixer tap (Focus S) in polished chrome provides a premium touch for water access.

The galley is outfitted with top-tier appliances, including a Waeco Coolmatic refrigerator with a freezer compartment (HDC-155FF) for optimal food storage, a 240V Plastimo touch control 4-ring ceramic hob for versatile cooking, a Bosch DHL 535B extractor fan to ensure proper ventilation while cooking, and a Sharp R-830BS stainless steel microwave oven for quick and convenient meal preparation.

Interior lighting is provided by stainless steel square bezel LED overhead lights (Quick Blake XP), offering bright, energy-efficient illumination. Dimmer switches are included for adjustable lighting, allowing you to tailor the ambiance to suit any occasion.

## Lower saloon

---

The lower saloon of this yacht radiates elegance and sophistication, showcasing Black American Walnut with a satin finish that imparts a rich and refined appearance. The upper locker doors are similarly finished in Black American Walnut, ensuring a cohesive aesthetic throughout the area. The forward bulkhead is accentuated with a striking Gunmetal Metallic Lacquer in a glossy finish, serving as a captivating focal point.

The upholstery in the lower saloon is crafted to create a bright and airy atmosphere, with roof and side linings in Eclipse White. The window band linings in Eclipse Platinum add a touch of sophistication, while the forward bulkhead is adorned with Pearl Finesse Platinum panels for a luxurious finish. The TV feature panel is also in Eclipse Platinum, enhancing the visual appeal of the entertainment area. Seating is upholstered in Snow Leather, offering both comfort and style.

The flooring is made from Wenge with a satin finish, featuring 140mm wide planks that add warmth to the space. Stair treads and risers are finished in Wenge, while the stair tread risers are in Sensation Original Arctic Grey,

providing a striking contrast. The lower lobby treads and risers maintain the Wenge satin finish, ensuring a cohesive look. Venetian blinds in Gold Bullion with 25mm slats from the Sky-Venetian metal alloy range provide privacy and elegance.

Scatter cushions introduce a splash of color, including one 18" x 18" cushion in Teal Veneto and another in Aqua Osprey, both self-piped for a seamless design. Interior AC 110V sockets (USA 3-pin) are conveniently placed for electronic devices, ensuring easy access to power.

Fittings in the lower saloon include polished chrome square-style cabin door handles, adding a modern touch, and polished stainless steel cabinet catches from Timage for functional elegance. Black Chrome switch and socket trims from Vimar Classic enhance the overall design. The space is equipped with a 1 x 8000 BTU VTD air conditioning unit, ensuring optimal comfort.

For entertainment, a Samsung 22" television is complemented by a Fusion MS-AV750 DVD/CD/radio with an infrared remote eye, Bluetooth capability, and Fusion PP-FR652 stereo speakers, providing high-quality audio and visual experiences. Interior lighting is provided by stainless steel square bezel LED overhead lights (Quick Blake XP), offering bright, energy-efficient illumination. Dimmer switches are included for adjustable lighting, allowing you to set the desired ambiance.

Special features include Cadorin hardwood flooring in Wenge with a satin finish, installed in the lower saloon for a premium look. Hinges on the companionway staircase create additional storage solutions, enhancing the functionality of the space.

## Master cabin

---

The master cabin of this yacht is a haven of elegance and comfort, showcasing Black American Walnut with a satin finish that fosters a warm and

sophisticated ambiance. The central headboard is highlighted with Gunmetal Metallic Lacquer in a glossy finish, adding a modern flair to the room.

Upholstery throughout the cabin enhances the bright and airy atmosphere, with roof linings in Eclipse White and window band linings in Eclipse Platinum for a sleek look. The aft bulkhead linings above the headboard are crafted in Platinum Loft, adding an extra layer of sophistication, while the headboard panels feature Caviar Piedmont for a rich, textured appearance.

The forward bulkhead linings are also in Eclipse White, maintaining a cohesive design. TV feature panels and the TV surround are finished in Pearl Finesse Platinum, providing a luxurious touch. The bed base fiddle is in Eclipse Platinum, and the forward and aft seating are upholstered in Mercury Loft, ensuring both comfort and style. Bedside cabinet tops feature an inlay of Nero Leather for a refined finish, and the flooring is Sensation Original Arctic Grey, offering a modern, cohesive look. Bed covers in Taupe Oriano add a soft, inviting touch, while Venetian blinds in Gold Bullion provide both privacy and style.

The cabin includes scatter cushions, with two 18" x 18" cushions in Caviar Constellation and two 22" x 22" cushions in Caviar Veda, all self-piped for a seamless design. Interior AC 110V sockets (USA 3-pin) are conveniently located throughout the cabin for easy access to power. Fittings include a cabin door with a square-style handle in Polished Chrome, cabinet catches in Polished Stainless Steel, and switch and socket trims in Black Chrome, all contributing to the cabin's elegant finish.

For comfort during rest, the cabin includes a standard foam and quilted mattress. Climate control is ensured with a 1 x 12000 BTU TVE+ condenser air conditioning unit. The entertainment system features a Samsung 40" television, complemented by a Fusion MS-AV750 DVD/CD/radio with an infrared remote eye and Bluetooth capability, along with Fusion PP-FR652 stereo speakers for a premium audio experience.

Interior lighting is provided by stainless steel square bezel LED overhead lights, offering bright and efficient illumination. Flexible arm reading lights in Polished Chrome provide adjustable lighting options, and dimmer switches are available for overhead interior lighting to create the perfect ambiance. Special requirements include a standard arrangement on the starboard side with two upholstered seats and a central breakfast table. A Dometic Safe MD 281C is concealed in cabinetry, offering secure storage with a capacity of 8.3 liters.

## **Master cabin toilet and shower compartment**

---

The master cabin's toilet and shower area on this yacht is crafted with a focus on luxury and practicality. The space is adorned with Black American Walnut in a satin finish, infusing the environment with warmth and elegance. The ceiling is lined with Eclipse White upholstery, offering a crisp and refreshing appearance, while the window bands in Eclipse Platinum add a sleek accent. The shower compartment's side linings are completed with Polyray B015 Blanc Menuires EPI, ensuring both durability and style.

For adjustable lighting and privacy, Venetian blinds in Gold Bullion with 25mm slats are fitted. The compartment is stocked with Christy Supreme White towels in bath, hand, and face sizes, adding a touch of luxury. Mirrored locker doors enhance the elegance and sense of space. The vanity top and splashback are made from Minerva Carrara White, showcasing a marble-veined effect with a glossy finish, imparting a luxurious look to the area. The flooring complements this aesthetic, also crafted from Minerva Carrara White with a marble-veined effect and gloss finish, ensuring a seamless flow throughout the space.

Fittings in the compartment include switch and socket trims in Black Chrome from Vimar Classic, offering a sleek appearance, while Hansgrohe taps and accessories in Polished Chrome contribute a high-end touch. An air conditioning outlet provides optimal climate control for comfort. Interior

lighting is delivered by overhead lights with stainless steel square bezels (Quick Blake XP), ensuring bright and efficient illumination.

The water systems in the compartment feature a Tecma 2G toilet, which merges contemporary design with functionality, making this space both practical and luxurious.

## Forward cabin

---

The forward cabin of this yacht seamlessly combines elegance and comfort, showcasing Black American Walnut with a satin finish that imparts a warm and sophisticated ambiance. The central headboard is highlighted with Gunmetal Metallic Lacquer in a glossy finish, adding a modern touch to the space. The cabin's upholstery is crafted to create a clean and unified appearance, featuring roof and side linings in Eclipse White and window band linings in Eclipse Platinum. The upper headboard panels are adorned with Platinum Loft, while the lower panel features Platinum Piedmont, enhancing the cabin's refined aesthetic.

TV feature panels are finished in Pearl Finesse Platinum, adding an elegant accent, and the bed base fiddle in Eclipse Platinum further elevates the refined look. The flooring is in Sensation Original Arctic Grey, providing a contemporary touch, while bed covers in Taupe Oriano add warmth to the decor. Venetian blinds in Gold Bullion with 25mm slats offer adjustable lighting control, and scatter cushions include two 18" x 18" cushions in Blueberry Corolla, self-piped for a seamless design.

The cabin is equipped with AC 110V sockets (USA 3-pin) for versatile power access. Fittings include a cabin door handle in Polished Chrome with a square style, cabinet catches in Polished Stainless Steel, and Black Chrome switch and socket trims from Vimar Classic, all contributing to a sleek finish. The mattress is a standard foam and quilted type, ensuring comfort.

For climate control, the cabin is equipped with a 10,000 BTU VTD air conditioning unit. Entertainment is provided by a Samsung 22" television, complemented by a Fusion MS-AV750 DVD/CD/Radio with Bluetooth capability, an infrared remote eye, and Fusion PP-FR652 stereo speakers, ensuring a high-quality audio-visual experience.

Interior lighting is provided by overhead lights with stainless steel square bezels (Quick Blake XP) for effective illumination. Polished Chrome flexible arm reading lights (Quick Audrey) are positioned on each side of the bed for convenient reading, and dimmer switches allow for customizable lighting levels, ensuring the perfect ambiance for any occasion.

## **Forward toilet and shower compartment**

---

The forward toilet and shower area of this yacht seamlessly combines elegance with practicality, crafted to deliver a luxurious experience. The space is embellished with Black American Walnut in a satin finish, infusing warmth and sophistication. The ceiling is lined with Eclipse White, creating a fresh and airy atmosphere, while the window bands in Eclipse Platinum add a sleek touch. The shower compartment's side linings are completed with Polyray B015 Blanc Menuires EPI, introducing a subtle texture to the area.

For adjustable privacy and light control, Venetian blinds in Gold Bullion with 25mm slats are installed. The compartment is stocked with Christy Supreme Towels in white, including bath, hand, and face towels, adding a luxurious touch. Mirrored locker doors enhance the sense of space and light, while the vanity top and splashback in Minerva Carrara White with a marble-veined effect and gloss finish impart elegance and durability. The flooring, also in Minerva Carrara White, seamlessly coordinates with the vanity, maintaining a cohesive aesthetic.

Fittings in the compartment include switch and socket trims in Black Chrome from Vimar Classic, offering a sleek, modern touch. Hansgrohe taps and

accessories in polished chrome add a luxurious finish. The water systems feature a Tecma 2G toilet, ensuring efficient water usage and comfort. An air conditioning outlet provides controlled ventilation and comfort, enhancing the overall experience.

Interior lighting is provided by stainless steel square bezel LED overhead lights (Quick Blake XP), offering bright and even illumination throughout the space, ensuring that every detail is highlighted with precision.

## Starboard mid cabin

---

The starboard mid cabin of this yacht exemplifies luxurious design and comfort, showcasing Black American Walnut with a satin finish that imparts a rich, warm ambiance to the space. The upholstery is expertly crafted, with roof linings in Eclipse White offering a clean and bright ceiling appearance, while the bulkheads in the same hue create a unified look. The window band and headboard panels in Eclipse Platinum introduce a subtle contrast, and the TV feature panels in Pearl Finesse Platinum add a touch of luxury.

The wardrobe door is adorned with a mirrored surface, enhancing depth and elegance. The bed base fiddle in Eclipse Platinum complements the headboard, and the flooring in Sensation Original Arctic Grey provides a soft, refined foundation. Bed covers in Taupe Oriano add warmth to the decor, while Gold Bullion Venetian blinds with 25mm slats offer light control and privacy. Scatter cushions in Caviar Aquila, self-piped in a 2 x 18" x 18" size, complete the look.

The cabin is equipped with interior AC 110V sockets (USA 3-pin) for versatile power access. Fittings include a square-style cabin door handle in polished chrome, cabinet catches in polished stainless steel, and switch and socket trims in black chrome from Vimar Classic, all contributing to a sleek finish. The mattress is a standard foam and quilted type, ensuring a comfortable sleep experience.

For climate control, the cabin is equipped with a 6000 BTU VTD air conditioning unit. The entertainment setup includes a Samsung 22" television with a Fusion MS-AV750 DVD/CD/Radio, infrared remote eye, Bluetooth, and Fusion PP-FR652 stereo speakers, providing a versatile entertainment experience.

Interior lighting is provided by stainless steel square bezel LED overhead lights (Quick Blake XP), offering effective illumination. Flexible arm polished chrome reading lights (Quick Audrey) provide focused lighting, and dimmer switches on overhead interior lighting allow for adjustable brightness, ensuring the perfect ambiance for any occasion.

## Crew quarters

---

The crew quarters of this yacht are crafted with a focus on practicality and comfort, showcasing a clean and modern design. The area is finished with white laminate, offering a practical and contemporary surface. Upholstery throughout the quarters features roof linings in Eclipse White, creating a bright and open ceiling look, while side linings in the same shade maintain a consistent and airy atmosphere. The headboard panel is also in Eclipse White, ensuring a seamless design, while the berth surround in Eclipse Platinum introduces a subtle contrast.

The bed covers in Taupe Oriano add warmth and coziness, complemented by carpets in Cloud - Altro for a soft, understated floor finish. Towels in White - Christy Supreme, including bath, hand, and face towels, provide luxurious comfort. Scatter cushions are included for added comfort and aesthetic appeal, though specific details are not specified.

The crew quarters are equipped with interior AC 110V sockets (USA 3-pin) for convenience. Fittings include switch and socket trims in Black Chrome from Vimar Classic, providing a sleek and cohesive look. The mattress is a foam and quilted type, ensuring a comfortable sleeping arrangement.

For climate control, the quarters are equipped with an air conditioning unit with a 6000 BTU capacity, ensuring optimal temperature control. Interior lighting is provided by stainless steel square bezel LED overhead lights (Quick Blake XP), offering functional and efficient illumination throughout the space.

## Console

---

The console of this yacht serves as a center of cutting-edge technology and elegant design, ensuring both practicality and style. The console panels are adorned with a Piano Black finish, offering a sleek and stylish look that enhances the yacht's overall aesthetic. The equipment on the console is top-of-the-line, starting with the Simrad NSS12 evo3, a 12" multifunction touch screen chart plotter display, paired with the Simrad GS25 GPS for precise navigation.

For precise speed, depth, and temperature readings, the Simrad IS42 instrument is equipped with a DST800 transducer. The autopilot system includes the Simrad QS80 pilot controller, with display via IS42, and is compatible with AC12, providing advanced autopilot control with integration for shaft or Volvo IPS systems.

The console also includes the Simrad 4G Broadband Radar, offering comprehensive and clear radar imaging, and the Simrad RS90 VHF Radio with DSC function for reliable communication. Visibility is enhanced by the Jabsco Single Beam Searchlight with single station control. Engine monitoring is simplified with Volvo Penta Twin 2.5" LCD displays, ensuring that engine data is easily accessible.

Additionally, the aft docking station is equipped with second shaft drive throttles, thruster control, a multi-panel, and a horn, with software updates available via Vodia for optimal performance. This console is crafted to provide the captain with all the tools necessary for a seamless and enjoyable navigation experience.

## Electrical

---

The electrical system of this yacht is expertly crafted to deliver efficiency, reliability, and comfort throughout the vessel. The yacht is fitted with interior AC 110V sockets with a USA 3-pin setup, ensuring easy access to power for all onboard needs. The water systems feature a Tecma 2G toilet, renowned for its dependable onboard sanitation, and an upgraded 435-liter black water tank with discharge options via deck mount fitting or directly to the sea.

The air conditioning system is robust, with a main unit providing 68,000 BTU, configured to USA standards, ensuring optimal climate control. Additionally, a 6000 BTU air conditioning unit is installed in the crew cabin for added comfort.

The audio-visual setup is comprehensive, featuring a Samsung 40" television in the deck saloon, complemented by a Samsung Blu-ray player. The Fusion MS-AV750 CD/Radio with MS-NRX300 zone remote on the console, infrared remote eye, and Speaker Craft stereo speakers deliver high-quality sound. The aft cockpit zone includes a Fusion NRX200i zone remote and four Sonance Extreme VP65RXT speakers powered by a Fusion AM504 4-channel amplifier. The fore deck zone is equipped with a Fusion MS-NRX300 zone remote and two Fusion AM-FR402 marine speakers. In the master cabin, a Samsung 40" television and Fusion MS-AV750 DVD/CD/Radio with Bluetooth and Fusion PP-FR652 speakers ensure premium entertainment. The lower saloon, forward cabin, and starboard cabin each feature a Samsung 22" television and Fusion MS-AV750 DVD/CD/Radio with Bluetooth and Fusion PP-FR652 speakers.

The galley is well-equipped with a Waeco Coolmatic refrigerator with a freezer compartment, a 240V ceramic hob by Plastimo with a 4-ring touch control, a Bosch extractor fan, and a Sharp stainless microwave oven. The deck saloon includes a Coolmatic TBSC-100 electric cooling unit for the top-loading cool box. In the cockpit, a Kenyon Marine Electric BBQ Grill and a Vitrifrigo icemaker are available, along with a Waeco CR50 refrigerator fitted in the wet bar.

For enhanced maneuverability, the yacht is equipped with a bow thruster by Sleipner Side-Power SEP170/250T-24V, delivering 10.7hp. The exterior electrical system includes a Lewmar V4GD-24V anchor winch for secure anchoring, a Glendinning Cablemaster for power feed and AC shore power cable recovery, and an AFI Dual Trumpet Horn. Exterior lighting features low-level LED lights in white for the cockpit and side deck, as well as Lumishore TIX202 underwater LED lights in white.

Interior lighting is provided by stainless steel LED overhead lights for bright and energy-efficient illumination. Polished Chrome Quick Audrey flexible reading lights are installed in the master, forward, and starboard cabins, and dimmer switches on overhead lighting allow for adjustable ambiance, ensuring the perfect setting for any occasion.

## Deck and exterior

---

The deck and exterior of this yacht are expertly designed to blend functionality with elegance, ensuring an exceptional maritime experience. The hull is safeguarded with an antifouling treatment using International Interspeed Ultra 300 in Black, offering strong protection against marine growth. The exterior engineering includes a hydraulically operated lifting platform with a capacity of 450 kg, perfect for managing tenders or personal watercraft. A freshwater deck wash system is installed with outlets at both the bow and stern, complete with a hose kit for easy access, while a water purifier for the ice maker utilizes the Wave HiFlo 2 in-line filter system, complete with a spare cartridge for added convenience.

The exterior fittings are crafted for both reliability and style. A Lewmar 25kg Galvanized Delta Anchor, along with 60 meters of 9.5mm galvanized anchor chain, ensures secure anchoring. Additional 10" oval mooring cleats are installed on the aft lower edge of the hull band for added security. The stainless steel ensign staff and socket provide a polished, nautical touch, while

the folding stainless steel bathing ladder, stored under a GRP lid, offers ease of use and concealment. The navigation light mast blade, finished in Black, enhances the sleek, unified appearance.

Comfort and style are emphasized with bow sunbathing cushions featuring folding backrests in Silververtex Plata 122 4001, and an exterior upholstery upgrade to Diamante or Sunbrella for superior durability and aesthetics. The tender recovery roller system is specifically designed for the Williams RIB Turbojet 325, making launching and retrieval effortless.

The water systems include a fresh water marina connection pressure regulator, ensuring consistent onboard water pressure when docked, and a handheld swimming shower with a Whale Twister head for convenient rinsing after swimming. This comprehensive setup ensures that every aspect of the deck and exterior is optimized for both performance and luxury.

## Supply items

---

The supply items for this yacht are carefully selected to ensure both practicality and luxury, meeting every onboard requirement. Essential items include a retractable boat hook and four docking lines, each 15 meters long and 16mm thick, in black with an eye on one end, providing secure mooring solutions. A tender line, 10 meters long and 10mm thick, in black, is also included for added versatility. For protection, six Majoni F4 fenders, each measuring 24 x 70 cm in white, are provided, along with six fender ties, each 3 meters long and 10mm thick, in black.

The yacht is equipped with a stainless steel ensign staff, 1225 mm in length and 32mm in diameter, adding a touch of sophistication. A handheld LED inspection lamp is available for quick inspections, complemented by a basic spare lamp kit to ensure backup lighting. A basic small tool kit is included for essential maintenance, alongside a basic first aid kit for immediate healthcare needs. Safety is further enhanced with an Ocean Safety FIR0022 fire blanket,

measuring 1.1 x 1.1 meters, and five portable dry powder fire extinguishers, each 1 kg, rated 5A 34B C for comprehensive fire coverage.

For maintenance, a leather cleaning kit is provided to care for leather furnishings, and a RINA fire bucket, with a 3-gallon capacity and line, is available for fire emergencies. Mosquito screens are included for openable portlights to keep insects out, and six guest towel sets are provided for guest convenience.

Dining and glassware sets are of the highest quality, featuring a Royal Doulton Fusion White dinnerware set, which includes six dinner plates, side plates, soup bowls, cups and saucers, a teapot, cream/milk jug, sugar bowl, salt pot, and pepper pot. The cutlery set by Robert Walsh includes six dinner knives, dinner forks, soup spoons, side knives, side forks, dessert spoons, teaspoons, and four serving spoons. The crystal glassware by Dartington Crystal includes six champagne flutes and six whiskey tumblers, ensuring a luxurious dining experience on board.

## Technical specifications

---

The technical details of this yacht emphasize its remarkable size and capacities, ensuring a strong and adaptable maritime journey. The yacht spans 18.24 meters (59 feet 10 inches) in total length, including the pulpit and platform, and 17.60 meters (57 feet 9 inches) without the pulpit but with the platform. Its maximum beam, or width, is 4.7 meters (15 feet 5 inches), offering generous space for comfort and maneuverability.

The yacht's draft varies with the drive system, measuring 1.30 meters (4 feet 3 inches) at full load for the shaft drive and 1.56 meters (5 feet 1 inch) for the IPS system. This versatility allows for navigation in diverse water depths, enhancing the yacht's adaptability.

Regarding weight, the yacht has a displacement of 27,900 kilograms (61,509

pounds) at half load and 29,400 kilograms (64,816 pounds) at full load, indicating its robust construction and ability to accommodate extensive equipment and amenities.

The tank capacities are designed for long journeys, with a fuel capacity of 2,200 liters (581 US gallons), ensuring extended travel without frequent refueling. The freshwater capacity is 600 liters (158 US gallons), providing sufficient supply for onboard needs, while the blackwater capacity is 148 liters (39 US gallons), ensuring efficient waste management.

These specifications highlight the yacht's ability to offer a luxurious and seamless experience on the water, catering to both leisure and practical requirements.
