OVERVIEW

"Raven" is an exquisite Northern Marine Long Distance Trawler, designed for oceanic adventures yet easily handled by a duo. Lovingly maintained by an experienced captain/owner, she is powered by a reliable John Deere engine and comes equipped with cutting-edge systems, including advanced electrical setups and top-tier electronics. Elegantly appointed and featuring walk-around decks for enhanced safety, she provides a delightful flybridge for enjoying sunny days at sea. The 5700 Expedition layout is perfectly suited for cruising couples, complete with separate guest quarters at the bow. With an impressive range of 3000 miles, she offers the assurance needed for global exploration. "Raven" truly stands out in any setting and embodies the spirit of a luxurious cruising yacht. Explore yacht sales in the current boat location and seize the opportunity to buy a yacht that promises unforgettable journeys.
