DETAILED DESCRIPTION

Vessel walkthrough

"Misty Blue" is ideal for both relaxed cruising and dedicated fishing trips. Since 2017, her current owners have mostly enjoyed gentle cruising on the Chesapeake Bay. This yacht has been carefully preserved, undergoing her MTU 2000-hour services along with various maintenance enhancements. She shines with her custom ice blue hull sides and freshly polished white topsides. The Ocean 57' provides outstanding accommodations for owners and guests, making entertaining both practical and delightful. Entering the salon from the cockpit, you'll discover L-shaped lounge seating to port, paired with a high/low teak cocktail table. The interior showcases satin teak cabinetry with a high gloss teal bullnose accent throughout. To starboard, a hidden flat panel TV rises electrically from the cabinetry, accompanied by a wet ice maker and the main ship's service electrical panel. Moving forward, the galley and dinette blend seamlessly with the salon. Below decks, the guest stateroom with side-by-side single berths is to port, while the guest head and laundry with washer and dryer are to starboard. Aft, one of the largest mid-ship master staterooms features a walk-around queen berth, private ensuite head, vanity, and generous storage. The VIP stateroom is situated forward, offering a queen walk-around berth, two hanging closets, and a private ensuite head.

Salon

The salon of this yacht is a perfect fusion of comfort and modern technology, crafted to elevate your time on board. It includes a sofa with generous storage, ideal for maintaining a neat and organized space. The air conditioning provides a comfortable climate, while an upholstered chair offers extra seating. A 48" flat screen LCD TV with an electric lift is seamlessly incorporated, providing

entertainment at the push of a button. The Bose Lifestyle surround sound system, along with an entertainment center featuring 10 speakers, offers a captivating audio experience. An ice maker is conveniently available for your refreshment needs. Silhouette blinds contribute a touch of elegance and privacy, while accent lighting creates a cozy and welcoming atmosphere. The entrance is enhanced with a bamboo floor, leading to a high-gloss teak cabinet with storage beneath. A coordinating high-gloss teak table with a teak base completes the salon's sophisticated appearance.

Galley & dinette

The galley and dinette area of this yacht seamlessly combines practicality with elegance. It includes two Sub-Zero 700 BR under-counter refrigerated drawers and two corresponding freezer drawers, offering generous storage for all your culinary essentials. The Corian countertops provide a smooth and resilient surface for preparing meals, while the bamboo hardwood flooring introduces a hint of natural sophistication. Cooking is simplified with the Sharp Carousel microwave/convection oven and a three-burner cooktop, which features a Corian cover to extend your workspace. A trash compactor and garbage disposal add to the cleanliness and ease of use. Wine lovers will appreciate the Edge Star wine cooler as a perfect complement. The dinette area is accentuated by a high gloss teak table with a teak base, establishing an elegant environment for dining and entertaining.

Laundry

The laundry section of this yacht is outfitted with premium appliances to guarantee convenience and efficiency on your journeys. It includes a Kenmore washer and dryer, delivering dependable performance for all your laundry requirements. Furthermore, a central vacuum system is in place, simplifying

the maintenance of cleanliness across the yacht. This thoughtfully designed area ensures that all your laundry duties are managed effortlessly and efficiently, enabling you to relish your time on the water without concern.

Master stateroom

The master stateroom on this yacht is a haven of comfort and opulence, crafted to offer the ultimate escape at sea. It includes a private ensuite head, guaranteeing both privacy and convenience. The walk-around queen berth provides generous storage underneath, optimizing space usage. Entertainment is readily available with a 36" flat screen TV, while the Bose speaker system ensures superior sound quality. Two cedar-lined hanging lockers offer refined storage for your clothing, and the room remains comfortable with air conditioning. Ample drawer and storage solutions ensure all your belongings are neatly stored, and for added security, a safe is provided. This master stateroom is meticulously designed to meet all your needs, making it an ideal sanctuary on the water.

Master head

The master head of this yacht is tastefully designed to combine both practicality and elegance. It boasts an Amtico teak and holly floor, adding a hint of timeless nautical allure. The Corian countertop offers a smooth and resilient surface, ideal for daily use. The stall shower includes a comfortable seat, ensuring a soothing experience. Furthermore, the Sealand vacu-flush head provides contemporary convenience and efficiency. This master head is meticulously crafted to elevate your onboard living, blending functionality with refined design.

VIP stateroom

The VIP stateroom on this yacht is crafted to provide guests with a luxurious and cozy escape. It includes a private ensuite head, ensuring both convenience and privacy. The room is fitted with a flat screen TV for entertainment, and a walk-around queen berth that offers plenty of space for relaxation. Two cedar-lined closets provide refined storage options for clothing, while end tables add a touch of homely comfort. The stateroom is maintained at a comfortable temperature with air conditioning, and there is ample drawer and locker storage to accommodate all personal items. This VIP stateroom is thoughtfully designed to create a sophisticated and inviting atmosphere for guests.

VIP head

The VIP head on this yacht is tastefully designed to offer both style and practicality. It boasts an Amtico teak and holly floor, which adds a hint of timeless nautical elegance. The Sealand vacuum flush head provides contemporary convenience and efficiency, ensuring a pleasant experience. A stall shower is included, offering a comfortable and private space for guests to refresh. This VIP head is carefully crafted to elevate the onboard experience, blending functionality with refined design elements.

Guest stateroom

The guest stateroom on this yacht is crafted to provide both comfort and functionality for your visitors. It includes side-by-side single berths, creating a snug sleeping setup. A hanging locker is provided for easy storage of clothing and personal items. Additionally, drawers beneath the berths and storage cabinets above the TV offer plenty of room for all belongings. This guest

stateroom is carefully organized to optimize space and comfort, making it a welcoming haven for guests on board.

Guest head

The guest head on this yacht is tastefully crafted to deliver both elegance and utility. It includes a Corian countertop, providing a smooth and resilient surface ideal for daily use. The stall shower offers a comfortable and private area for guests to refresh. The floor is made from Amtico teak and holly, infusing the space with a hint of classic nautical charm. This guest head is carefully designed to elevate the onboard experience, merging practicality with refined design elements.

Flybridge

The flybridge of this yacht is an expertly crafted area that merges comfort, utility, and elegance. It includes air conditioning to maintain a pleasant atmosphere even on the hottest days. The refrigeration/freezer unit allows easy access to refreshments, facilitating guest entertainment. In front of the helm console, U-shaped seating provides a cozy spot for relaxation and socializing. The flybridge is equipped with two Bomar hatches for ventilation and natural light. At the helm, Pompanette teak ladder-back chairs offer a commanding view, while single lever engine controls ensure precise handling. For fishing enthusiasts, the rocket launcher on the aft bridge rail and Miya Epoch US-9 electric teaser reels are essential features. The enclosure is made from Clear 2 Sea material, providing a three-sided view with a lower aft rail section, and the aft curtains are crafted from O'Sea 60 gauge material with a center u-zip for easy access. This flybridge is thoughtfully designed to elevate your yachting experience, blending luxury with practical elements.

Electronics & navigation

The electronics and navigation systems on this yacht are outfitted with cutting-edge technology to guarantee a smooth and secure voyage. The MTU engine displays deliver essential information at a glance, while the emergency backup controls provide reassurance in any scenario. Navigation is elevated with the Garmin 7215 and Garmin 4210 systems, supported by a Garmin radar with a 6' open array antenna for accurate and dependable tracking. Communication is ensured by the Icom VHF, maintaining clear and consistent contact. The Simrad autopilot facilitates effortless course management, and the Vetus bow thruster offers exceptional maneuverability in confined areas. An ACR spotlight improves visibility during nighttime operations, and the KVH HD TracVision 4 Sat provides access to satellite television, keeping you connected and entertained. This extensive suite of electronics and navigation tools is crafted to enhance your yachting experience, merging advanced technology with intuitive operation.

Deck & mechanical

The deck and mechanical systems of this yacht are expertly crafted to deliver peak performance and convenience. Driven by MTU 12V2000 engines with 1500 HP, the yacht offers remarkable power and dependability. The Twin Disc MG-6449-00-A 2.6/1 gears enhance the engines, ensuring smooth and efficient operation. Fuel management is facilitated by Racor fuel filters and a fuel transfer system, while the Reverso electric oil exchange system simplifies upkeep. Safety is emphasized with an automatic fire system and emergency Y-valves on the main engine seacocks.

The yacht is fitted with two 24V battery chargers and a 12V charger specifically for the bow thruster. The Glendinning retractable shore power system ensures uninterrupted connectivity, and the Westerbeke 15KW generator with 2969

hours provides dependable power. For added convenience, the Eskimo ice chipper produces up to 600 lbs of ice daily, and the Hynautic/power assist steering improves maneuverability.

On deck, the yacht boasts teak coverboards, a teak deck, and a teak entry step with insulated storage beneath. Fresh and raw water washdowns in the cockpit, along with a dockside water connection, make maintenance straightforward. Fishing enthusiasts will value the Rupp 3x spreader outriggers and center rigger, both stored for convenience, as well as the spacious below-deck fishboxes with macerators.

Additional features include a fiberglass swim platform with a ladder, a cockpit freezer, and a transom door with a gate. The transom fishbox/livewell and an 8-man cannister liferaft enhance safety and functionality. A custom high-low cockpit cocktail table and a bow pulpit with an anchor chute add to the yacht's elegance. The canvas cockpit shade with single wings offers full enclosure, ensuring comfort in all weather conditions. The yacht also comes with a 12' Caribe hard bottom tender powered by a 40 HP Honda engine and a Marquip 1000 low profile davit for easy deployment.

Updates

This yacht has received extensive upgrades to maintain top-tier performance and comfort. In 2023, a thorough 1000-hour service was performed, and the hydraulic steering ram and pump were replaced to improve maneuverability. That same year, three new A/C units and air handlers were installed, ensuring a pleasant climate throughout the vessel. Looking forward to 2024, new injectors will be fitted, and three raw water pumps will be upgraded on the Eskimo ice machine, flybridge, A/C, and cockpit freezer, further boosting the yacht's efficiency and reliability. A wet ice machine was added to the salon in 2021, offering easy access to ice for entertaining. Additionally, the hull bottom was soda blasted in 2018, preserving the yacht's sleek and immaculate

condition. These updates demonstrate a dedication to maintaining the yacht at the highest standards, ensuring an exceptional yachting experience.

Salesman remarks

"Misty Blue" has been attentively maintained by experienced owners who have relished cruising her on the Chesapeake Bay since 2018. This yacht has received numerous upgrades, ensuring she remains in excellent condition and is prepared for inspection. Her upkeep and improvements demonstrate a commitment to quality and performance, making her an outstanding option for those in search of a well-cared-for and modernized vessel.

Exclusions

The sale of this yacht does not include the owner's personal items, tools and equipment, artwork, fishing gear, or the vessel's name. The company shares the details of this vessel in good faith but cannot ensure the accuracy of this information or the condition of the yacht. Potential buyers are advised to have their agents or surveyors verify any details they wish to confirm. Engine and generator hours are accurate as of the listing date and are provided by the owner for informational purposes only. All information should be confirmed by the prospective buyer and their surveyor before finalizing the purchase. This vessel is available subject to prior sale, price adjustments, or withdrawal without notice.
