## OVERVIEW

---

Launched by Cantiere del Pardo in 2023, M/Y Kayenne is presented in the GT52 galley-down layout and has been thoughtfully upgraded to elevate her onboard comfort. Purchased the same year, her owner reconfigured the former crew quarters into a snug double-bed "capsule" suite, raising the overnight capacity to six guests. The main deck is a luminous social area where a pop-up television complements opposing full-length sofas to port and starboard, while the adjacent dining space accommodates six with effortless grace. Below decks Kayenne sleeps six in three well-appointed cabins: a full-beam owner's stateroom on the lower deck with its ensuite arranged forward at the bow, a starboard twin with its own bathroom, and a third cabin ingeniously incorporated into the main salon in the former crew space. Propulsion is provided by twin Volvo IPS D8 600 hp units with just 120 hours on each engine, delivering an easy cruising speed of 22 knots and a top end of approximately 30 knots. Exceptionally specified for refined yachting, she features a hydraulic swim platform rated for a 3 m tender, a watermaker, gyroscopic stabilizer, electric bimini and an opening sunroof, combining performance, comfort and contemporary sport cruiser elegance.
