OVERVIEW

A magnificent Pershing 54 Hard Top, presented in pristine condition and continually refined to the present day, offers a truly turn-key experience for the most discerning owner. Cherished and maintained to the highest standards by an exacting private owner, this yacht has never been offered for charter and reflects meticulous care at every turn.

Extensive works carried out between 2018 and 2022 underpin her exceptional condition: a W6 service was performed on both main engines in 2018 and a full main engines overhaul followed through 2018/19, while a comprehensive Arneson Drives service was completed in 2018/19. The hull underwent anti-osmosis treatment in 2018 and the hull and superstructure have been recently repainted. Interior and exterior areas have been refreshed with new upholstery throughout, the VIP cabin bathroom has been reconfigured, and the main deck exterior layout has been reimagined to enhance comfort and flow. VAT is paid, underscoring the clarity of her commercial standing.

Accommodation is elegant and practical, sleeping up to 6 guests across three cabins, including two double cabins with en-suite facilities, with crew quarters for one complete with a WC. Propulsion comes from two MAN engines, each producing 1200 Hp and paired with Arneson Drives, delivering a smooth cruising speed of 37 knots and an exhilarating top speed of 48 knots; an economical cruise of 33 knots consumes approximately 250 litres per hour. Located for immediate inspection, this Pershing 54 combines refined style with high-performance pedigree for those ready to acquire a standout yacht.
