# DETAILED DESCRIPTION

---

## Section name

---

This yacht comes fully loaded with an array of features and amenities, promising a lavish and comfortable journey on the water. Scheduled for comprehensive maintenance in 2025, it ensures all systems remain in peak condition. The vessel is equipped with a Seakeeper Stabilizer for smooth navigation, a robust 20kw KOHLER generator, and a powerful air conditioning system with a 72,000 BTU capacity to maintain an ideal interior climate.

Designed for ease and convenience, the yacht includes a hydraulic swim platform, a hydraulic passarella, and a hydraulic crane on the flybridge, operable via both wired and wireless remotes. A wireless helm station dockmate facilitates effortless docking. The entertainment system is exceptional, featuring a Rockford Fosgate sound system on the flybridge, enhanced by Clarion Marine amplifiers, all supported by an additional battery charger.

Onboard conveniences include a washer and dryer, an oven, and an ultrasonic antifouling system to preserve the hull's integrity. The hard top offers shade and protection, while the fresh water maker guarantees a steady supply of clean water. The crew cabin provides extra space for staff, and two side boarding gates allow for easy access.

For superior maneuverability, the yacht is fitted with both bow and stern thrusters. The engines are safeguarded by Racor dual water separator filters. Navigation is simplified with a comprehensive Raymarine package, featuring E80 screens at the main helm and flybridge, GPS, plotter, fish finder, a 44nm radar antenna, and a C80 autopilot with a Gyroplus system.

The interior exudes luxury, with openable scenic windows in the VIP cabin, wooden flooring in the galley dinette and helm station, and teak-laid side

decks. An icemaker on the flybridge, dimmers for salon and cockpit lighting, and exclusive decor enhance the opulence. The twin fresh water pump system by Gianneschi functions at both 220 and 24 volts.

Entertainment options include a 32" LED TV with a DVD player in the salon, a LED TV in the master cabin, and an LCD TV/DVD in the guest cabin. Four Aqualuma AQL 12B underwater lights on the transom create a breathtaking visual display at night. Lastly, a chain counter with control at the main helm ensures precise anchoring. This yacht is a marvel of engineering and design, delivering unmatched comfort and elegance on the open seas.

# CONTACTS

---

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
