OVERVIEW

Experience refined yachting aboard the 2007 Sea Ray 58 Sedan Bridge, a commanding flybridge motor yacht that marries elegant presence with assured performance. Maintained as a freshwater vessel until 6/2024, she made the voyage from the Great Lakes to Fort Myers, Florida, and reflects gentle use and attentive ownership throughout her life. All MAN factory-recommended services were completed and brought up to date in 2025, and a fresh annual service was carried out in 2026, providing immediate, turnkey readiness for her next owner. Her freshwater history through late 2024 is evident in the exceptional overall condition, with an engine room that remains remarkably clean and well-organized and interior joinery free of wood milking or delamination. Navigation and systems have been modernized with an updated Garmin electronics suite, enhancing capability and ease of operation. Performance comes from 1,800 hp supplied by twin MAN 900s, yielding effortless acceleration, confident handling, crisp planing characteristics and a composed ride that makes extended passages enjoyable and efficient. Throughout the yacht, meticulous fit-and-finish and thoughtful layout—from the flybridge down to the salon—create an elevated, seagoing atmosphere optimized for elegant entertaining and relaxed cruising. Generous interior volume, tasteful appointments and well-chosen amenities combine to deliver a luxurious yet practical cruising experience—an exceptional opportunity for discerning buyers seeking a Sea Ray Sedan. Available in Fort Myers, FL.
