OVERVIEW

Offers welcomed. The Overblue Goldfinger 58 presents itself as an arresting power catamaran multihull motor yacht that marries the spaciousness of a floating home with the grace and reach of a luxury cruiser. At approximately 20 meters LOA, she unfolds expansive living areas including a full beam owner's suite, elegant VIP staterooms and a twin cabin, comfortably accommodating up to eight guests for extended liveaboard voyages or premium charter service.

True to the flybridge ethos, her generous upper deck is appointed with a grill, refrigerator and deep lounge seating, creating a breezy sociable enclave perfect for alfresco dining, sunset cocktails and languid gatherings under open skies. The layout and finishes emphasize seamless indoor outdoor flow and convivial comfort.

Propulsion comes from twin Volvo Penta D6 engines rated at 600 hp each, delivering an economical 10 knot cruising speed with the reserve to sprint to about 22 knots with composed refinement. Solar panels boost onboard autonomy and efficiency, full size domestic appliances provide home style convenience, and a hydraulic swim platform simplifies tender handling and water access for effortless bluewater enjoyment.

DETAILED DESCRIPTION

Overblue Goldfinger 58 – a luxurious floating home

Offers are welcome. The Overblue Goldfinger 58 distills the essence of contemporary liveaboard luxury into a remarkably spacious platform, where design and practicality flow as one. Measuring 17.91 meters (58.76 feet) in length with a 5.4-meter (17.72 feet) beam, the Overblue 58 presents an expansive interior layout that feels airy, refined, and purposefully open. All living spaces are thoughtfully arranged on the main level to create a seamless, open-concept atmosphere, while the twin hulls discreetly accommodate the technical systems to preserve generous volumes and ensure maximum comfort day and night. Below, the private quarters have been curated for restful retreats, featuring a master suite, VIP cabins, and a twin cabin to host up to 8 guests overnight with effortless ease. Above, the vast flybridge becomes the social heart of the yacht—an elevated terrace designed for relaxed gatherings and panoramic cruising. Here, dual grills, an ice maker paired with a refrigerator, spacious seating areas, and inviting sun loungers set the tone for long, indulgent afternoons and elegant evenings under the stars. Whether at anchor or underway, this alfresco haven elevates every moment on board. Performance is both powerful and reassuringly efficient. Equipped with twin Volvo Penta D6 engines, each producing 600 horsepower, the yacht cruises comfortably at speeds around 10 knots and reaches a maximum speed of 22 knots, delivering a smooth and fuel-efficient passage. Long twin hulls enhance stability and ride comfort, inspiring confidence on short hops between harbors and on ambitious long-range cruising alike. Built for sustainable luxury, the Overblue 58 integrates smart technology and eco-friendly features without compromise. Solar panels contribute to energy efficiency, full-size appliances bring a true home-like experience to sea, and a

hydraulic swim platform offers effortless access to the water for swimming, tender operations, and toys. The result is an unmatched yachting experience: a luxurious liveaboard yacht and a versatile vessel for extended cruising in one cohesive, beautifully executed concept. Now available for sale—contact us today for full details.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts.
