DETAILED DESCRIPTION

2016 Prestige 550

The 2016 Prestige 550 is a luxurious monohull flybridge motor yacht that balances performance, comfort, and style for effortless cruising. Measuring 17.88 m with a 4.78 m beam, she is powered by twin Cummins QSC 8.3L 600 hp engines on pod drives, delivering a confident 24-knot cruising speed and up to 30 knots at the top. A GRP hull and teak-laid decks provide durability with a refined look, while the hydraulic tender platform and a spacious flybridge—complete with BBQ, fridge, and generous seating—set the tone for relaxed days at anchor and under way. This luxury cruiser and sport cruiser sits firmly in the flybridge motor yacht category and is ideal as a family cruising yacht.

Inside, a bright salon with large windows flows to a fully equipped galley, finished in Alpi Moabi wood with Alcantara upholstery for a warm, modern feel. The thoughtful accommodation plan offers three guest cabins, including a full-beam master, plus two bathrooms and a separate crew cabin with its own head. Fully outfitted with generator, tropical-spec air conditioning, Raymarine electronics, and numerous upgrades, this cruising yacht is turnkey and ready to go.
