OVERVIEW

Ferretti 57 by Ferretti Yachts, 2001 build, 58 ft LOA. Positioned as the lowest-priced example on the market, it offers a compelling entry into Italian flybridge ownership at an attractive figure.

The boat calls for cosmetic attention—principally new carpets and upholstery—giving its next owner the chance to tailor the interior to personal taste without undertaking major works.

Trade-in proposals are welcomed, including smaller motor yachts, day boats, tenders, and other suitable vessels.

A strong value proposition with clear upside—an uncommon opportunity to secure a Ferretti at this price point with flexible trade-in options.
