OVERVIEW

PRELIMINARY LISTING

Recent Enhancements as of October 2019

This exquisite yacht, currently available for sale, has undergone significant upgrades to ensure an unparalleled experience on the water. With the installation of 10 brand new batteries, the vessel is equipped for extended journeys. The fire suppression system has been thoroughly inspected and certified, and four new handheld extinguishers have been added for enhanced safety.

The yacht boasts fresh bottom paint applied on January 16, 2018, complemented by a protective Prop coat on the running gear. The props have been expertly trued and balanced, while the rudder shaft bushings and O-rings have been replaced to ensure optimal performance. Additionally, six new underwater lights illuminate the surroundings, and new zincs have been installed. All seacocks have been serviced and exercised, ensuring reliability. The trim tab cylinders have been resealed, and new hydraulic lines have been fitted for smooth operation. An oil and filter service for both the engine and genset was completed in March 2018, further enhancing the yacht's readiness for your next adventure.

Explore the luxury of yacht sales in the current boat location and seize the opportunity to buy a yacht that embodies elegance and performance.
