## OVERVIEW

---

Impeccably maintained, this 2007 Sea Ray 580 Sedan Bridge arrives as a turnkey Flybridge Motor Yacht, one of the marque's most admired models, marrying timeless lines with thoughtful upgrades that span comfort, performance, and contemporary electronics. Boarding is effortless via the hydraulic, retractable swim platform that grants seamless access to the cockpit, and a molded staircase ascends to the flybridge where a carpeted deck and a fresh isinglass enclosure (2023) create an inviting, year-round piloting and entertaining space. At the helm, a fully updated electronics suite centers on a Garmin GPSmap 18 XSV and a 2023 Raymarine 16-inch display, complemented by refurbished MAN engine screens, FLIR night vision, and both aft-facing and salon cameras to ensure confident visibility underway.

Entertainment and connectivity on the bridge are equally refined: Fusion stereo and JL Audio speakers deliver immersive sound, while a Vizio Roku TV and Starlink internet make streaming, video calls, and remote work easy even at anchor. Forward, a new bow bimini and custom sun-lounge covers protect and elevate the foredeck, with a windlass and protective cover underscoring the meticulous care lavished on this Luxury Cruiser. Step inside and the salon greets you with rich woodwork, expansive windows, and a serene, open flow; updated televisions serve the salon, master, and guest staterooms for relaxed media enjoyment. Practical comforts include a Sub-Zero refrigerator/freezer, washer/dryer, and 2023 custom memory-foam mattresses, while the yacht's airlock system maintains a quiet, climate-controlled interior for true livability. Below decks the thoughtful 3-stateroom, 2-head arrangement offers generous accommodations ideal for family cruising or hosting friends. A full-beam master features a private ensuite and abundant storage, and the guest cabins are tastefully refreshed with upgraded soft goods throughout. As a Sedan Bridge cruising yacht she provides the space and amenities of a liveaboard

while preserving the handling and visibility characteristic of a Flybridge vessel. Mechanically, she has been kept on schedule and is ready to roam: in June 2025 she received new bottom paint, rebalanced and tuned propellers, fresh zincs, raw-water pump service, and shaft cutters, leaving her truly cruise-ready. Whether for relaxed weekend harbor hops, coastal passages, or extended island adventures, this Sea Ray 580 Sedan Bridge delivers the poise, capability, and peace of mind expected in a premium Motor Yacht—an elegant, family-oriented cruiser with genuine bluewater confidence.

### 2007 Sea Ray 580 Sedan Bridge

---

Meticulously maintained and truly turnkey, this 2007 Sea Ray 580 Sedan Bridge exemplifies why it remains one of Sea Ray's most sought after motor yachts, its timeless lines framing a spacious three stateroom, two head layout while a thoughtful cadence of recent upgrades blends comfort, performance, and modern technology into a single, confidence inspiring package. Step aboard via the hydraulic retractable swim platform and move effortlessly into the cockpit; a molded staircase sweeps up to the flybridge, where a carpeted deck sits beneath a crystal clear new isinglass enclosure installed in 2023, creating a helm and social zone curated for both effortless cruising and sophisticated entertaining. At the helm, a Garmin GPSmap 18 XSV pairs with a 2023 Raymarine sixteen inch multifunction display and refurbished MAN engine displays to deliver crisp data and intuitive control, and full spectrum awareness is assured by FLIR night vision plus aft facing and salon cameras. Entertainment on the bridge is elevated by a Fusion stereo system with JL Audio speakers and a Vizio Roku TV, while Starlink internet brings reliable connectivity for streaming or remote work offshore. Forward, the bow welcomes unhurried days in the sun with new upholstery and a bimini shade for the sun loungers, complemented by custom covers, and an impeccably protected windlass under its own cover underscores the level of care throughout. Precision handling is at your fingertips with stern and bow thrusters, while cockpit air conditioning and the yacht's airlock system maintain a quiet, climate controlled environment in every season. Inside, the salon greets you with rich wood finishes, expansive windows, and an open, relaxing layout; updated TVs have been added in the salon, the master stateroom, and the bunk cabin, while a Sub Zero refrigerator/freezer and a

dedicated washer/dryer unit elevate day to day ease. All mattresses were replaced in 2023 with premium memory foam constructions, transforming nights at anchor into restorative retreats. Below deck, the three stateroom, two head configuration offers generous accommodations for family and guests, the master suite featuring a private ensuite and abundant storage while the guest cabins are refreshed with new décor and upgraded soft goods. Mechanically, she has been maintained exactly as a discerning owner would insist, and in June 2025 she received new bottom paint, rebalanced and tuned props, new zincs, raw water pump service, and shaft cutters, rendering her cruise ready the moment you step aboard. Whether your plans lean toward carefree weekends or extended island passages, this Sea Ray 580 Sedan Bridge delivers luxury, performance, and peace of mind in one complete, beautifully kept yacht.
