OVERVIEW

This luxury motor yacht—equally at home as a sport cruiser or flybridge yacht—blends graceful lines with substantive systems: an upgraded 19 kW Onan generator provides reliable electrical reserve for extended voyages, while a sleek hardtop crowns the upper deck with refined, aerodynamic presence. A hydraulic swim/bathing platform at the transom lowers effortlessly to the water for easy boarding and leisure, and close-quarters control is made intuitive by a helm joystick with integrated bow and stern thrusters, augmented by dedicated bow and stern thrusters for precise maneuvering. Navigation and situational awareness are entrusted to Simrad premium navigation and electronics, and onboard comfort is enhanced by Seakeeper gyro stabilization — specifically the Seakeeper 9 system — which markedly reduces roll. Inside, real wood flooring on the main deck and a separate washer and dryer elevate the living experience, while an ambient mood-lighting package washes cabins and social areas in soft, customizable illumination.

DETAILED DESCRIPTION

2024 Ferretti Yachts 580 Macu

The 2024 Ferretti Yachts 580 is a remarkable cruiser that fuses luxury with performance in a sleek, seaworthy package, measuring nearly 60 feet and purpose-built for comfort and style. Its fiberglass hull delivers enduring strength and a famously smooth ride across varied conditions, while twin Volvo Penta IPS D13 engines, each delivering 1000 horsepower, allow the 580 to rise effortlessly onto the plane, sustain a composed cruising speed of 26 knots and reach a maximum hull speed of 32 knots to thrill passionate boaters. Inside, a refined layout offers four beautifully appointed cabins and three bathrooms, creating generous privacy and restorative spaces for everyone on board, and intuitive joystick control elevates maneuverability to make docking and close-quarters navigation reassuringly simple. For those who seek both adventure and elegance on the water, this yacht promises unforgettable moments shared with family and friends.
