# OVERVIEW

## EVO R+ 58 ft

Sporty yet practical, the Evo R+ boasts an enclosed deck and a cutting-edge aft platform, making it the perfect choice for extended stays on the water in complete luxury.

### Adventurous Spirit

The striking black, angular aluminum top, true to the signature Evo Yachts design, enhances the allure of its athletic silhouette.

### Exceptional Style

The cockpit, defined by its sleek lines, is entirely enveloped by windows: bright and elegant, much like the entire main deck, it provides a stunning 360-degree panoramic view, with openings that invite refreshing breezes.

### A Unique Ambiance of Comfort

The interior is adorned with exquisite materials that highlight the quest for an ideal blend of dynamic aesthetics and onboard comfort.

Luxurious fabrics, such as alcantara, have been selected, with a color scheme harmonizing three elements: white, teak, and carbon. The carbon accents further amplify the sporty essence of this environment.

With just a simple touch, the hydraulic XTensions bulwarks can be opened in 30 seconds, transforming the beach area into a sprawling 270 square feet terrace. It becomes a lounge, a sunbathing area, or an open space for gatherings. You will certainly be the center of attention.

The sundeck is equipped with a Transformer platform that rotates 270° to facilitate boarding and disembarking, diving, or simply enjoying the water up close.

Explore yacht sales in the current boat location and seize the opportunity to buy a yacht that embodies both elegance and adventure. This yacht for sale is
