OVERVIEW

Overview

This rare, custom Offshore Pilothouse motor yacht commands attention in every aspect—kept in immaculate condition since new and thoughtfully enhanced over the years. Professionally maintained from her 1997 commissioning and lightly used in private ownership, she is turnkey and prepared for extended cruising. Her distinctive up galley arrangement distinguishes her within pilothouse designs, providing an exceptionally spacious salon and excellent natural ventilation through a portside sliding galley door. The open salon is ideal for entertaining while the custom pilothouse helm layout ensures superb sightlines and a calm, comfortable ride underway. Down below, three well finished cabins offer adaptable accommodation: the reworked owner's stateroom includes a walk in dressing closet and three full height hanging lockers—an uncommon luxury at this size—and the bunk cabin is fitted with its own washer/dryer and generous tall storage to simplify provisioning for coastal hops or bluewater passages. If you want an Offshore that pairs outstanding condition with rare options and bespoke upgrades, this long range pilothouse cruiser is a must see: an elegant, ocean ready yacht that blends trawler style practicality with motor yacht refinement.

Обзор

Эта редкая, индивидуально выполненная Offshore Pilothouse моторная яхта привлекает внимание во всём: с момента постройки она находилась в безупречном состоянии и получила продуманные улучшения. С момента ввода в эксплуатацию в 1997 году судно обслуживалось профессионально и использовалось мало в частной эксплуатации, сейчас полностью готово к дальним переходам. Уникальная планировка с камбузом «up galley» выделяет её среди пилотхаусов, обеспечивая

исключительно просторный салон и отличную естественную вентиляцию через раздвижную дверь галереи по левому борту. Открытый салон прекрасно подходит для приёма гостей, а индивидуально спроектированное рулевое место в пилотхаусе даёт отличный обзор и спокойный, комфортный ход. Ниже расположены три аккуратно оформленные каюты, дающие гибкость размещения: переделанная мастер каюта оснащена гардеробной и тремя полноразмерными шкафами для одежды — редкая роскошь для яхты этого размера, а каюта с двухъярусными койками имеет собственную стиральную/сушильную установку и высокий объём хранения, что упрощает подготовку к прибрежным переходам или дальним крузам. Если вы ищете Offshore, сочетающую превосходное состояние, редкие опции и индивидуальные доработки, этот дальномерный пилотхаус крейсер обязательно стоит увидеть: элегантная, морская яхта, объединяющая практичность в стиле trawler и утончённость моторной яхты.
