OVERVIEW

Tan Lines — 2024 Vanquish VQ58

The 2024 Vanquish Yachts VQ58 TAN LINES unites pure performance with precise Dutch workmanship, presenting a luxury motor yacht that thrills like a sport vessel and comforts like a refined express cruiser. Built for owners who value speed, style and effortless entertaining, her graceful lines and high-quality finish promise a memorable open dayboat and weekender experience. Driven by twin IPS950s showing roughly 225 hours, TAN LINES delivers sharp acceleration, confident handling and an impressive top speed, while a Seakeeper stabilizer keeps motion steady and comfortable whether running offshore or cruising close to shore. The elegant two cabin layout and an onboard misting system add everyday comfort, making sunset runs and short cruises a pleasure, and the boat's design emphasizes social life on the water with a convenient side boarding door, a VQ11 tender, Seabobs and generous, adaptable deck areas perfect for gathering and water activities. As a chase boat, coastal cruiser and luxury open yacht, TAN LINES represents a rare chance to own a nearly new high performance yacht equipped with modern features and thoughtful appointments; she is offered in Sag Harbor, NY and invites you to imagine your next weekends afloat.

Оснащённая двумя двигателями IPS950 с примерно 225 моточасами, TAN LINES обеспечивает резвый набор скорости, уверенное управление и внушительную ходовую

скорость, а стабилизатор Seakeeper делает ход ровным и комфортным как в море, так и при прибрежном плавании.
