## OVERVIEW

---

Evolving from the celebrated 5200 Express, the Tiara Sovran 5200 Salon reinterprets interior volume and livability while keeping the generous cockpit that defines its lineage. This salon express and luxury motor yacht surrounds the helm with a fully enclosed command bridge, expanding the social core of the vessel and heightening the onboard experience for an express cruiser. Guests gather on the portside Flexsteel leather lounge, where twin power recliners invite relaxation against a backdrop of hand-finished natural-wood joinery and warm, solid teak soles that establish an atmosphere of refined comfort. Beside the settee, exquisitely crafted cabinetry conceals a complete wet bar with sink, prep counter, and refrigerator, while a 22-inch flat-screen rises at a touch to anchor an entertainment suite with theater-grade audio and seamless streaming for video and music—an ideal arrangement for a spirited sport-yacht day or an extended cruising escape.

Broad panoramic windows frame limitless seascapes and bathe the salon in natural light, while precise climate control maintains a tranquil interior no matter the weather. When fresh air is desired, a simple touch transforms the space: a large tinted electric sunroof slides back, the aft window lowers, and the windshield's opening center section welcomes breeze and sun for a coupe-style, open-yacht sensation. Below, the lower cockpit preserves all the signature features of the 52 Express, including a molded aft-facing seat with engine-room access, a forward-facing bench, ingenious hideaway custom cockpit tables, a transom storage locker, and a fixed 60-inch swim platform that simplifies water access.

Offered in two interior configurations, this "A" layout presents two well-appointed staterooms, each framed in rich teak to evoke a timeless maritime elegance. The overall result is a bluewater-capable, performance-minded cruiser that envelopes guests like a plush

cocoon—supple, elegant, and meticulously detailed—blending the finest qualities of a premium salon express, a comfortable cabin cruiser, and a sophisticated luxury yacht into a single, harmonious package.

## DETAILED DESCRIPTION

---

### **Additional information- updates to navigation center**

---

The navigation center has been comprehensively refreshed with twin 15-inch Garmin multifunction displays that create a seamless dual-screen helm, complemented by a Garmin autopilot that delivers precise, fatigue-free steering and full AIS transmit-and-receive capability for confident traffic awareness; for vigilant monitoring two Garmin cameras have been installed, one dedicated to the engine room and another covering the back deck, while FLIR night vision enhances safety and clarity after dark, and an EPIRB provides a critical final layer of emergency readiness.

### **Engines- additional owner provided performance data**

---

According to the owner's recorded figures, at 1600 RPM the yacht makes 17.5 knots while consuming 19.0 GPH, increasing to 1675 RPM yields 18.9 knots at 20.2 GPH, and at 1800 RPM she runs 20.5 knots at 24.2 GPH, a concise set of readings that underscores an efficient and predictable power curve.

### **Disclaimer**

---

Exclusions: All personal property is excluded unless specifically identified and included in the sale agreement and listing specifications, with personal property defined as all items not permanently attached to the vessel, including but not limited to artwork, furnishings, and recreational or entertainment items; advertisements, marketing materials, and other photography may

depict the vessel with personal property, however such personal property is excluded unless otherwise specifically included as provided herein. Disclaimer: The Company offers the details of this vessel in good faith but cannot guarantee or warrant the accuracy of this information nor warrant the condition of the vessel, and a buyer should instruct their agents or surveyors to investigate such details as they desire validated, as this vessel is offered subject to prior sale, price change, or withdrawal without notice.

# CONTACTS

---

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
