OVERVIEW

Azimut 58 (1998) "FAME ONE"

This exquisite vessel is registered under the German flag and has already settled the EU VAT. Despite being crafted in 1998, this yacht stands out with a condition that surpasses many of its contemporaries, thanks to a comprehensive interior refit completed just two years ago.

Additionally, the MTU engines underwent a significant overhaul a few years back, with an investment of approximately €70,000 (documentation available).

The yacht features 3 luxurious cabins and 3 well-appointed bathrooms, powered by two MTU 8V 183TE93 engines with around 1350 hours of use.

Equipped with a 17kw generator, this yacht ensures comfort with air conditioning and heating systems. The bow thruster enhances maneuverability, while the radar and SAT TV provide modern navigation and entertainment options.

An extended swim platform invites you to enjoy the water, complemented by two refrigerators for your convenience. The autopilot system and LED TV add to the luxurious experience, along with a high-quality stereo audio system.

Considering the recent interior refit and the substantial investment in the MTU engines, this Azimut 54/58 yacht is truly a must-see for anyone interested in yacht sales in the current boat location.

We also welcome cryptocurrency transactions, allowing you to buy a yacht quickly and securely using Bitcoin, USDT, ETH, or other major cryptocurrencies. Don't miss the opportunity to explore this stunning yacht for sale!
