## List of upgrades

---

The specification of this Azimut 60 flybridge motor yacht is elevated by a total value of options amounting to €690,000. The Advance Package is included, and the optional main systems are headlined by Seakeeper stabilizers for exceptional comfort at anchor and underway. Outside, a cockpit table with a synthetic marble insert pairs with an electric cockpit awning, while the flybridge gains a co-pilot seat and a matching table with a synthetic marble insert in lieu of the standard teak, all under a protective hardtop. The aft fly lounge features two opposing love seats in Batyline fabric with a coffee table, the hull and gunwale are painted, spreader lights illuminate the aft fly, and stern teak steps lead aboard. A bow sun-shade sail with removable poles extends time on the foredeck, teak graces the flybridge and side decks, a telescopic gangway eases boarding, and the exterior cushions are upgraded in Batyline. Indoors, you will find a salon coffee table, a co-pilot seat at the main helm, a crew cabin with one berth, a deluxe lighting package with dimmers in the salon, master, VIP and guest cabins, an automatic extendable dinette hi-lo table, fabric curtains in the cabins, and a wooden floor in the dinette. Entertaining and liveaboard comfort are supported by a flybridge barbecue and icemaker, a galley dishwasher, and a washer-dryer. Navigation and control are enhanced by the Raymarine Silver Package, while entertainment benefits from hi-lo TV systems in both the master cabin and the salon. Altogether, these upgrades make this premium flybridge cruiser a refined, turnkey Mediterranean motor yacht.
