OVERVIEW

New exclusive offering, the Fleming 55 has been fastidiously maintained by an experienced owner and presents in exceptional condition, ready to head offshore. The interior is laid out with three generously proportioned cabins—two elegant double staterooms and a twin with two single berths—providing comfortable accommodation for passagemaking. Manoeuvrability is effortless thanks to three helm stations, including the flybridge, giving confident control from multiple vantage points. Recent enhancements include a complete teak deck renewal undertaken in 2021/2022, fitted Wesmar RS 600 hydraulic outriggers to improve stability at sea, and a thorough electrical refit completed in 2023/2024. This is a genuine bluewater motor yacht designed for peaceful, long-range cruising; viewings may be arranged by appointment.
