OVERVIEW

The Niu Tranquil, a Menorquin Fly 180, offers a rare opportunity to own an iconic and highly sought-after flybridge motor yacht. At 18 meters overall, she blends timeless Mediterranean character with impressive cruising capability, her semi-displacement hull, generous beam and inherent stability making her a favorite among owners who value comfort, refinement and effortless long-range performance.

Presented in excellent condition after meticulous care, this Fly 180 is arranged for expansive indoor–outdoor living, perfectly suited to extended cruising and leisurely island exploration. A broad 5.5 metre beam yields exceptional volume throughout the interior, accommodating three generous staterooms plus a dedicated crew cabin, an ideal layout for family passages or welcoming guests in genuine style.

The raised flybridge is a signature feature, delivering panoramic vistas, exceptional helm visibility and a convivial space for entertaining. A sheltered aft deck provides a shaded al fresco dining area, while full walkaround side decks and tall guardrails ensure safety and ease of movement under way. Engineered for dependable, economical passages, this Fly 180 is noted for quiet operation, a smooth, compliant ride and impressive seakeeping, equally at home on coastal outings or multi day passages. With distinctive lines, traditional craftsmanship and confident proportions, Niu Tranquil distinguishes itself as a luxury motor yacht with soul—an elegant flybridge cruiser and semi-displacement long range yacht for those who seek character, capability and enduring style.
