OVERVIEW

The 18.24 metre 2025 Ferretti Yachts 580 embodies Italian elegance with a contemporary flybridge silhouette, combining timeless design cues and modern lines. Inside, a roomy salon framed by expansive picture windows invites natural light and fresh sea air, while a carefully considered deck layout creates distinct, welcoming areas for relaxation and entertaining.

Accommodation comprises three guest staterooms alongside a dedicated crew berth, ensuring comfortable and private cruising for owners and guests alike. Delivering strong performance and assured seakeeping, this luxury motor yacht reflects contemporary aesthetics and exacting craftsmanship, making it a compelling choice for those who appreciate an elevated yachting experience.

DETAILED DESCRIPTION

About the yacht

At 18.24 metres overall, the 2025 Ferretti Yachts 580 presents a contemporary interpretation of Italian naval architecture, marrying sleek styling with high-performance engineering in a well-conceived flybridge configuration. Designed to offer both luxurious comfort and spirited passage-making, this motor yacht caters to families, couples and groups of friends who appreciate superior build quality, thoughtful detailing and an unmistakable sense of style.

The saloon is a study in light and refinement, where broad panoramic glass floods the interior with daylight and frames sweeping sea views, creating an airy and sophisticated atmosphere. Impeccable finishes, select materials and bespoke furnishings reflect Ferretti's artisan tradition, while the flowing open-plan layout links the lounge, dining area and fully equipped galley to produce an effortless living environment whether cruising or at anchor.

Outdoor living on the 580 is equally inviting. The expansive flybridge provides an ideal setting for sunbathing, entertaining and enjoying panoramic vistas, while the aft cockpit affords a relaxed alfresco dining experience. Generous side decks ensure safe, unimpeded movement around the yacht and lead forward to a private foredeck lounge that offers a tranquil retreat beneath the sun.

Accommodation has been arranged to maximize privacy and comfort for all aboard. Three elegantly styled guest cabins include a full-beam master suite, a gracious VIP stateroom and a twin cabin for additional guests, each finished in a contemporary aesthetic. A separate crew cabin allows professional service without intruding on guest privacy, making the yacht perfectly adaptable for owner operation or fully crewed charters.

Beneath her graceful exterior, the Ferretti Yachts 580 is driven by dependable,

efficient propulsion that delivers responsive acceleration, nimble handling and reassuring cruising performance. The refined hull geometry provides outstanding seakeeping and stability across a variety of conditions, instilling confidence whether enjoying coastal hops or longer passages.

Every element of the 2025 Ferretti Yachts 580 underscores a dedication to luxury, innovation and enduring design. With generous living areas, sophisticated Italian styling, advanced systems and excellent seaworthiness, she represents an exceptional platform for those seeking memorable time on the water and the finest in contemporary yachting.

Equipment

The yacht is crowned by a sleek hard top that shields guests in all conditions, while handling is refined through the coordinated use of bow and stern thrusters paired with an easy-to-master joystick. For extended time away from port, a dependable watermaker and a powerful inverter provide the autonomy and uninterrupted comforts expected whether cruising or at anchor. A convenient pasarella makes boarding effortless, and navigation is enhanced by a crystal-clear, highly responsive chart plotter.

Other details

A 19 kW Onan generator provides whisper-quiet, dependable electrical power aboard, keeping systems running seamlessly throughout every cruise. The interior is thoughtfully arranged with three staterooms—the Master, VIP and Guest—plus a dedicated crew cabin, delivering an elegant and highly functional layout for owners and their team. With only 178 engine hours recorded and backed by one year of remaining warranty, this yacht offers reassurance as well as performance. Handling and trim are refined by a Humphree interceptor, while a 400 L water maker and a 2,500 W inverter

significantly increase autonomy, allowing for composed seakeeping and extended time away from the dock.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.
