OVERVIEW

Price just reduced—an owner moving up invites compelling offers. This 2022 Azimut 60 Flybridge motor yacht, privately docked in Lighthouse Point, Florida and easy to show, is driven by twin Volvo D13 engines rated at 900 hp each and displaying approximately 825 hours, with the balance of Volvo factory coverage in effect through 7/23/2026. An Extended Passport Warranty extends to 9/29/2027, providing protection for the generator, primary yacht systems, thrusters, and accessory packages for added assurance. Recent mechanical and cosmetic refreshes include fresh bottom paint, a full hull polish and wax, renewed teak, and a newly installed chiller system complete with its own warranty.

Thoughtful updates elevate both form and function: ElectroSea strainer protection, factory Benetti-style custom wood flooring, a striking custom Blue Steel painted hull, and proportional bow and stern thrusters operated by an intuitive joystick. The pair of 900 hp diesels work in concert with an upgraded Seakeeper stabilizer to deliver an exceptionally smooth, quiet ride. Celebrated as one of the most popular models in the current Azimut line, the 60 Fly is an elegant powerboat and refined cruising yacht, ideal for weekend escapes to the Keys or extended bluewater passages to the Bahamas with family and friends. Tender not included. Please reach out for more details.

DETAILED DESCRIPTION

Features

Specified with the Advanced Package, this yacht pairs cutting-edge stabilization and navigation with indulgent amenities throughout, featuring a Seakeeper stabilizer with an additional control on the flybridge that works in concert with a proportional upgraded stern thruster to make every maneuver poised and precise. The Raymarine platinum package upgrade and Raymarine video cameras integrate seamlessly with an Audio/Video package featuring HD7 antennas and dual domes, while a compass on the flybridge, spreader lights on the flybridge, and a deluxe lighting package refine situational awareness and ambiance day or night. Practicality is built in with a Glendenning cable master, exterior additional sockets, and a painted hull and gunwales in steel blue metallic that announce sophistication at first glance. Outdoor living is elevated by a custom hardtop with an opening sliding roof, an electric awning in the cockpit, and an electric awning on the flybridge for extended sunshade, plus a bow Sun Sail shade with removable poles; teak underfoot graces the flybridge, the side decks, and the stern steps, framing social spaces that include a foredeck lounge with a convertible bench and sunbed in Batyline fabrics, aft fly L shaped sofas and a loveseat in Batyline fabrics, and upgraded external seating cushions also in Batyline. Entertaining is effortless with a cockpit furniture cabinet with refrigerator, a barbecue grill on the flybridge, cocktail chairs, and a flag pole to finish the scene. Inside, craftsmanship and comfort converge as main deck ceilings are wrapped in Kyra Petra simulated leather, handrails in the stairwell are finished in simulated leather, and a coffee table anchors the salon opposite an automatic dinette table with high low function and a foldable option; the galley is appointed with a wine cooler and a Quartzite Staturio countertop. The master stateroom features

vanity furniture and a safe, with nightstands that conceal jewelry boxes by Achille Salvani, while fabric curtains and cabinets, a set of linens for the cabins, and mosquito nets for portholes add thoughtful touches throughout; a crew cabin with a single bed ensures professional support on passage, and combo washer/dryer units in the hallway keep life onboard effortless.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
