OVERVIEW

Teak-clad steps gracefully ascend from the bathing platform to the generous cockpit, featuring a dining table and ample U-shaped seating for you and your guests. For those seeking relaxation, the expansive flybridge offers additional seating around a second outdoor dining table, and the helm companion seat conveniently transforms into a sunbed for ultimate leisure.

The chic main saloon is filled with natural light, thanks to large wraparound windows that enhance the sense of spaciousness. The open-concept design includes U-shaped seating, a raised dining area, and a well-appointed galley, making it perfect for social gatherings. Below deck, you will find three exquisitely designed cabins, including a lavish full-beam master stateroom and a roomy forward guest cabin, both equipped with generous en-suites. An optional single aft cabin with its own WC is available for crew or extra guests, should you desire.

Deck

Teak-laid transom platform, cockpit deck, flybridge stairway, and side deck steps
