OVERVIEW

The Absolute 64 Fly is an Italian-built flybridge motor yacht that pairs dynamic, sport-boat energy with sumptuous refinement. Her modern GRP planing hull and twin Volvo Penta IPS drives deliver economical cruising and confident handling, allowing a top transit speed of 33 knots while preserving exceptional onboard comfort and composure; she is further fitted with Seakeeper Stabilizers to enhance stability underway and at anchor. Pirveli has been kept under private ownership and has never been offered for charter. Designed for sociable cruising, she offers generous alfresco living—an expansive flybridge, an inviting bow lounge and a well-appointed aft cockpit—that seamlessly flow into a luminous, open-plan salon. Accommodation for up to eight guests is arranged across four ensuite staterooms, with separate crew quarters, creating a refined balance of performance, interior volume and elegant Mediterranean style.
