DETAILED DESCRIPTION

A Home on the Water

Built and maintained with meticulous attention to detail, the Goddess of the Moon seamlessly blends cutting-edge technology with timeless design, offering an exceptional yachting journey. Measuring under 18 metres at the waterline, she is perfectly suited for anchorage in secluded spots, allowing for intimate and serene experiences on the water. Her cleverly designed layout maximises space, providing generous lounging and entertaining areas that cater to both relaxation and social gatherings.

Equipped with solar panels, the Goddess of the Moon not only boosts energy efficiency but also promotes a sustainable cruising lifestyle. This feature significantly reduces reliance on fuel, enhancing the overall eco-friendly experience for those aboard. Thanks to attentive ownership, the yacht has received significant investment since its original build, ensuring it remains in top condition and ready for new adventures. Whether you seek tranquility or adventure, the Goddess of the Moon offers a luxurious and environmentally conscious escape on the water.

Exceptional Living Spaces

Every detail of the Goddess of the Moon has been crafted with style and comfort in mind. Inside, the elegant salon and lounging area offer a cosy retreat, perfect for relaxation after a day on the water. The chic, contemporary design is complemented by expansive windows that flood the interior with natural light, creating a warm and inviting ambiance. The yacht accommodates two guests in one beautifully designed cabin, where soft lighting and carefully curated materials come together to create a tranquil and restful environment.

Maximising every inch of outdoor space, she is the ultimate vessel for socialising under the sun. Whether you're hosting a small gathering or enjoying a quiet afternoon at sea, the open spaces are perfect for any occasion. Equipped with a transformer and swim platform, the Goddess of the Moon offers easy access to the water, whether you're swimming or launching water toys. This thoughtful design ensures that every moment spent aboard is both luxurious and enjoyable.
