## OVERVIEW

---

Introducing hull number 11 of the highly coveted Arcadia Sherpa 60, constructed to the highest standards with a selection of premium features included. The spacious 50 square meter aft deck offers the perfect venue for hosting gatherings and spending quality time with loved ones. Enjoy stunning 360-degree views from the Sky Lounge / Bridge, which effortlessly transforms into a welcoming indoor-outdoor space with operable windows. Engineered for nimbleness and efficiency, this yacht boasts a semi-planing hull combined with a state-of-the-art IPS propulsion system. A capacious garage located on the main deck aft houses a jet ski and a variety of water sports gear. This yacht is equipped with solar panels that generate up to 1.5 kW of power for all onboard facilities. The master suite is elegantly designed with an adjacent lounge cabin for supreme comfort and relaxation. An electro-hydraulic multifunctional gangway enhances ease of access and convenience.

Discover this magnificent yacht available for purchase at the current boat location, and seize the chance to own a vessel that epitomizes luxury and elegance. Explore the finest yacht sales at the current boat location and elevate your experience on the water.

## DETAILED DESCRIPTION

---

### A Home on the Water

---

Crafted and maintained with an unwavering focus on detail, the Goddess of the Moon effortlessly merges state-of-the-art technology with classic design, delivering an unparalleled yachting experience. With a length of under 18 metres at the waterline, she is ideally suited for anchoring in secluded locations, providing intimate and peaceful moments on the water. Her ingeniously designed layout optimizes space, offering ample areas for lounging and entertaining, perfect for both relaxation and social events.

Fitted with solar panels, the Goddess of the Moon not only enhances energy efficiency but also supports a sustainable cruising lifestyle. This feature greatly reduces dependence on fuel, enriching the overall eco-friendly experience for everyone on board. Due to attentive ownership, the yacht has seen substantial investment since its initial construction, ensuring it remains in pristine condition and ready for new journeys. Whether you are in search of tranquility or adventure, the Goddess of the Moon provides a luxurious and environmentally friendly retreat on the water.

### Exceptional Living Spaces

---

Every aspect of the Goddess of the Moon has been designed with elegance and comfort as priorities. Inside, the sophisticated salon and lounging area provide a snug haven, ideal for unwinding after a day spent on the water. The stylish, modern design is enhanced by large windows that bathe the interior in natural light, creating a warm and welcoming atmosphere. The yacht accommodates two guests in a beautifully appointed cabin, where gentle lighting and carefully selected materials combine to create a serene and restful setting.

Making the most of every bit of outdoor space, she is the perfect vessel for enjoying the sun and socializing. Whether you're hosting an intimate gathering or savoring a peaceful afternoon at sea, the open areas are suited for any occasion. Outfitted with a transformer and swim platform, the Goddess of the Moon provides easy access to the water, whether for swimming or launching water toys. This well-thought-out design ensures that every moment on board is both luxurious and delightful.

# CONTACTS

---

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
