OVERVIEW

Introducing the Cranchi 56, a 2012-built Italian motor yacht currently lying in Lebanon with prompt delivery to Cyprus available on request. This hardtop express cruiser marries Italian elegance with athletic grace, presenting a vessel for those who prize refined lines, assured presence, and invigorating performance under way.

Beneath the sleek deckhouse sit twin Volvo D11 IPS-900 engines (700 hp each) paired with IPS pod drives and joystick control, with approximately 360 hrs on the clock, delivering precise handling, economical cruising and effortless close-quarters maneuvering. Onboard power is supplied by a 12 kW Fischer Panda 15000i generator, while a comprehensive Raymarine suite—radar, plotter and autopilot—provides modern navigation and confidence for both coastal hops and longer Mediterranean passages. Built as a planing powerboat for Mediterranean living, she combines sporty capability with comfortable systems for extended use.

Impeccably maintained, the yacht benefited from a full upgrade to massif teak throughout in 2022 and the addition of a removable aft cockpit enclosure in 2018, ideal for extending the season or adding shelter. The engines underwent a thorough inspection in 2024 and currently carry a remaining 9-month warranty, offering extra assurance for her next owner.

Her exterior profile is arresting: a metallic grey hull accented by polished stainless-steel detailing and a generous hydraulic swim platform that completes a bold, timeless silhouette. Practicality is abundant with a capacious aft garage and multiple deck lockers to stow tenders, fenders and watersports gear. Included extras enhance the onboard lifestyle—a Zodiac tender (2.5 m) with a Suzuki 9.9 hp outboard, a 2012 Sea Doo Jet Ski Spark, an external fish finder and lightly used satellite equipment, all presented in superb condition. Equally at home as a chic dayboat or a weekend cruiser, this sport yacht

adapts to varied pleasures.

Below decks a three-cabin arrangement—full beam master, refined VIP and comfortable guest cabin—accommodates family and friends with ease. Each cabin is served by a Condaria chiller air conditioning system with reverse cycle heating and fitted with individual Fusion audio and Samsung flat screen TVs for personalized comfort and entertainment. The expansive pilothouse, with panoramic glazing and a retractable sunroof, offers plush seating and a wet bar—an ideal setting for sunset aperitifs—while the galley is comprehensively equipped for extended stays with two Isotherm refrigerators (one with a small freezer), an Edgestar dishwasher, a washing machine and a Schot cooktop.

A refined balance of sophistication and sport, this Cranchi 56 stands as a premium Motor Yacht, Hardtop Sport Yacht and Express Cruiser, offering IPS joystick maneuverability, luxury appointments and the versatility modern yachting demands. We also accept cryptocurrency; the yacht can be purchased quickly and securely using major coins such as BTC, USDT or ETH.

DETAILED DESCRIPTION

Cranchi 56, 2012 model

Presenting the Cranchi 56, 2012 model, currently located in Lebanon and ready for delivery to Cyprus upon request, this yacht exemplifies the highest standards of Italian design, comfort, and reliability for discerning buyers seeking a luxury vessel that marries high performance with sophisticated style. Powered by two Volvo D11 IPS-900 700 hp engines with the IPS drive system and joystick control and showing just 360 hours, the Cranchi 56 delivers exceptional maneuverability and fuel efficiency, while a 12 kW Fischer Panda 15000i generator ensures continuous onboard power and a comprehensive Raymarine navigation suite, including radar and autopilot, provides confidence whether cruising the coast or venturing offshore. Meticulously maintained, the yacht has benefited from major upgrades, notably a full teak renovation in 2022 upgraded to Massif Teak and the addition of a removable aft enclosure in 2018, while the engines underwent a comprehensive check in 2024 and carry a remaining nine month warranty to assure seasons of worry free operation. On deck the metallic gray hull contrasted with stainless steel accents and a large hydraulic swim platform create a striking yet practical profile, with generous storage in a spacious aft garage and multiple deck lockers to stow water sports gear, fenders, and liferafts, and extra equipment that includes a Zodiac dinghy 2.5 m with a Suzuki 9.9 hp engine, a Sea Doo Jet Ski Spark 2012, an external fish finder, and a satellite system, all barely used and in excellent condition. Inside, the accommodation plan features a spacious master suite, a VIP cabin, and a guest cabin, each served by a Condaria air conditioning chiller system with reverse cycle heating, individual Fusion stereo systems, and Samsung flat screen TVs, while the expansive pilothouse forms the sociable heart of the yacht with panoramic views, a retractable sunroof, plush seating,

and a wet bar for effortless entertaining; the well equipped galley completes the onboard living experience with two Isotherm refrigerators, one of which includes a small freezer, an Edgestar dishwasher, a washing machine, and a Schot cooktop to ensure refined dining at sea.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide.
