OVERVIEW

Introducing the Cranchi 56, a 2012 build currently lying in Lebanon with swift delivery to Cyprus available on request. Born of Italian craftsmanship, this motor yacht marries refined lines, purposeful speed, and assured composure; a hardtop express cruiser conceived for owners who prize elegant styling, subtle confidence, and thrilling performance in equal measure.

Beneath her graceful deck the yacht is driven by twin Volvo D11 IPS-900 engines (700 hp) with IPS pod drives and joystick control (approx. 360 hrs), providing pinpoint handling, economical cruise capability, and effortless close-quarters maneuvering. Onboard power is supplied by a 12 kW Fischer Panda 15000i generator, while a comprehensive Raymarine suite — radar, plotter, and autopilot — supports easy coastal hops and more ambitious passages. This planing powerboat is crafted with Mediterranean life in mind, ready for spirited days at sea or relaxed island-hopping.

Carefully maintained, the vessel benefited from a full upgrade to massif teak throughout in 2022 and the addition of a removable aft cockpit enclosure in 2018, ideal for extending the cruising season. The engines underwent a thorough inspection in 2024 and carry a remaining 9-month warranty, adding tangible reassurance for forthcoming voyages.

Her exterior presents a striking metallic grey hull enhanced by polished stainless-steel fittings and a generous hydraulic swim platform, producing a bold yet timeless silhouette. Practicality is woven into the design with a capacious aft garage and multiple deck lockers that accommodate tenders, fenders, and watersports gear. Included extras lift the onboard lifestyle: a Zodiac tender (2.5 m) with a Suzuki 9.9 hp outboard, a 2012 Sea Doo Jet Ski Spark, an external fish finder, and satellite equipment — all lightly used and in superb condition. Equally at home as a weekend cruiser or a sophisticated dayboat, the yacht melds sportiness with comfort.

Inside, a three-cabin arrangement — a full-beam master, a tasteful VIP, and a welcoming guest cabin — offers comfortable accommodation for family and friends. Climate comfort is assured by a Condaria chiller air-conditioning system with reverse-cycle heating, while individual Fusion audio units and Samsung flat-screen TVs provide personalized entertainment. The expansive pilothouse, with panoramic glazing, a retractable sunroof, sumptuous seating, and a wet bar, becomes the social centre for sunset drinks or casual dining. The galley is thoughtfully appointed for extended stays and features two Isotherm refrigerators (one with a small freezer), an Edgestar dishwasher, a washing machine, and a Schot cooktop.

A refined balance of sophistication and sport, this Cranchi 56 distinguishes itself as a premium Motor Yacht, Hardtop Sport Yacht, and Express Cruiser, offering IPS joystick maneuverability, luxurious appointments, and the versatility demanded by modern yachting. We also accept cryptocurrency; this yacht can be purchased quickly and securely using major coins such as BTC, USDT, or ETH.

DETAILED DESCRIPTION

Cranchi 56, 2012 model

Presenting the Cranchi 56, 2012 model, currently located in Lebanon and ready for delivery to Cyprus upon request, this yacht exemplifies the highest standards of Italian design, comfort and reliability for discerning buyers seeking a luxurious vessel that combines high performance with sophisticated style. Powered by two Volvo D11 IPS-900 700 hp engines with the IPS drive system and joystick control and showing just 360 hours, the Cranchi 56 delivers exceptional maneuverability and efficiency, while a 12 kW Fischer Panda 15000i generator ensures continuous onboard power; the comprehensive Raymarine navigation suite, including radar and autopilot, gives confidence for coastal cruising or offshore passages. Meticulously maintained and enhanced with major upgrades, the yacht underwent a full teak renovation in 2022 upgraded to Massif Teak and received a removable aft enclosure in 2018, with engines fully checked in 2024 and a nine-month remaining warranty providing added peace of mind. On deck, a metallic gray hull with stainless steel accents and a large hydraulic swim platform create a striking yet practical profile, and generous storage—featuring a spacious aft garage and multiple deck lockers—accommodates water sports gear, fenders and liferafts. Additional equipment includes a Dinghy Zodiac 2.5 m with a Suzuki 9.9 hp engine, a Sea-Doo Jet Ski Spark 2012, an external fish finder and a satellite system, all barely used and in excellent condition. Inside, a spacious master suite, VIP cabin and guest cabin each benefit from a Condaria air-conditioning chiller system with reverse-cycle heating, individual Fusion stereo systems and Samsung flat-screen TVs, while the expansive pilothouse serves as the yacht's sociable heart with panoramic views, a retractable sunroof, plush seating and a wet bar for effortless entertaining. The

well-appointed galley features two Isotherm refrigerators—one with a small freezer—an Edgestar dishwasher, a washing machine and a Schot cooktop, ensuring a refined onboard dining experience.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide.
