## OVERVIEW

---

The 60 FLY, named Absolute Prisma, opens a new chapter in refined flybridge motor yachts. Full-height glass bulwarks, gracefully arched hull-side glazing and a flexible aft cockpit forge a close connection with the sea while shaping a bespoke living environment. Twin side stairs lead down to an ample bathing platform, and a dedicated crew passage allows discreet movement. Below decks, a forward full-beam owner's suite is joined by a tasteful VIP and a third twin cabin for uncompromising comfort. Propelled by twin Volvo IPS units, this bluewater cruiser marries innovation and efficiency with poised, graceful performance.
