OVERVIEW

Indulge in the epitome of luxury and sophistication with this stunning 2022 yacht, now available for sale in the United States. Spanning an impressive 60 feet in length and boasting a generous beam of 16 feet, this exquisite vessel is designed to provide an unparalleled experience on the water. Crafted from high-quality fiberglass and plastic, the yacht's sleek hull not only ensures durability but also enhances performance, making it a true marvel of modern engineering.

As you step aboard, you are greeted by an inviting and elegantly designed interior that seamlessly blends comfort with style. The spacious layout is perfect for entertaining guests or enjoying a serene getaway, with ample seating and luxurious finishes throughout. The yacht is powered by two robust Volvo Penta inboard engines, delivering a smooth and powerful ride while ensuring you can explore the open waters with confidence. With a fuel capacity of 660 gallons, your adventures are limited only by your imagination.

This yacht is not just a vessel; it's a lifestyle. Whether you're hosting a lavish gathering or seeking a tranquil escape, the amenities onboard cater to every desire. Picture yourself lounging on the sun-drenched deck, sipping a refreshing drink, or enjoying a gourmet meal prepared in the fully equipped galley. The thoughtful design extends to every corner, ensuring that every moment spent aboard is one of pure bliss.

For those looking to buy a yacht, this exceptional model stands out in the current yacht sales market. With its perfect blend of luxury, performance, and style, it is an opportunity not to be missed. The current boat location offers easy access to some of the most beautiful cruising grounds, making it an ideal choice for both seasoned sailors and newcomers alike.
