OVERVIEW

Please note that the "current price" is supplied for guidance only; genuine offers will be received and considered with courtesy. A refined example of British yacht design, this 1996 Princess 60 Flybridge Motor Yacht marries offshore capability with polished sophistication. Measuring approximately 61 feet overall, this bluewater flybridge cruiser is engineered for comfortable, extended passages while maintaining the graceful lines and luxurious appointments expected in this class. Below decks the interior is richly finished and arranged as a spacious three-stateroom layout, centered on an elegant forward owner's suite that reflects the standards of a true luxury motor yacht. Configured for effortless entertaining, the Princess 60 features dual access to the flybridge where a fitted wet bar, generous lounge seating and an upper helm create an expansive alfresco living area above a light-filled main-deck salon. The design produces a versatile 60-foot yacht that is equally suited to relaxed coastal cruising or confident long-range voyaging, representing a rare opportunity within this size range.

This vessel has been carefully maintained and her systems are reported to be in proper working order; she is presented turnkey and ready for immediate enjoyment. Prospective purchasers are encouraged to arrange a viewing—step aboard to appreciate the condition and presentation, and submit your proposal for this premium cruising yacht. Electronics aboard include a Plastimo compass, Shipmate PS 8300 VHF radio, Autohelm NavCenter GPS, a Raymarine E120 multifunction display, a 36-mile 4kW Raymarine radar dome, and Autohelm digital depth with a flybridge repeater, providing essential navigation and helm information exactly where required.

A trailer is not part of this offering. Nationwide and international transport can be arranged, with custom cradles and shipment to ports available for export as necessary; logistics support and freight quotations are offered on request to

ensure a smooth delivery process.

Motors and machinery disclaimer: no representation can be made regarding the condition of engines, mechanical systems, or ancillary equipment.

Photographs may show machinery spaces, but it is the buyer's sole responsibility to inspect and satisfy themselves as to actual condition. Do not assume that accessories or loose gear shown are stored with the yacht; the vessel is offered strictly as viewed and any offer should be based on the inventory present at time of inspection. The Company provides these particulars in good faith but cannot guarantee or warrant their accuracy or the vessel's condition; buyers should independently verify items of interest. This yacht is offered subject to prior sale, price change, or withdrawal without notice. All marine assets, whether owned or brokered by the Company or its affiliates, are sold AS-IS, WHERE-IS, with NO WARRANTY—EXPRESS OR IMPLIED—including NO WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. No verbal agreements shall alter the terms of sale for this marine product.
