OVERVIEW

The 60 Sunreef Power is a dynamic and contemporary motor yacht, providing exceptional comfort, excellent seaworthiness, and limitless options for personalization. With its modern and sporty design, it reflects the innovative style of Sunreef Yachts' latest Power series. This motor catamaran is easy to navigate, making it an ideal choice for luxurious year-round cruising.

Notable features of the 60 Sunreef Power catamaran include a wide stern cockpit with a hydraulic platform that serves both as a tender transporter and a swim platform when lowered. Additionally, the yacht features a state-of-the-art aft garage that can house a jet-ski, water toys, and a refueling station.

This brand-new yacht is currently located in Miami. For those interested in yacht sales in the current boat location, please reach out to us for more information on how to arrange a viewing.
