OVERVIEW

The Pelican is a custom-built 2002 Tri-Kat 60' power catamaran holding a current 49-passenger COI, designed so every guest travels in comfort and style. Two air-conditioned salons run the length of the main deck, each with its own flat-screen TV; the main salon also offers a fully appointed bar with a beer-and-wine license and a commercial refrigerator to keep beverages chilled. Both salons have been refreshed with tasteful updates. Seating is provided for 49 passengers plus 4 crew, and with two expansive decks there is abundant room to relax. Well suited for private parties, corporate gatherings, day charter yacht excursions, and island transfers. A forward gangplank makes boarding easy when the vessel is beached—ideal for sandbar and shore landings. Luxury catamaran. Passenger vessel. Event yacht.

She is driven by twin 700 hp Lugger diesel engines delivering an economical 11-knot cruise and a top speed of 20 knots. While at anchor, a Northern Lights 20 kW generator maintains air conditioning comfort. The captain maintains meticulous service records that are complete and up to date. The sturdy aluminum hull handles 4'–6' chop with confidence. The upper bridge helm is equipped with dual Garmin GPS displays, Garmin radar, a Robertson autopilot, and a rudder indicator. Separate docking stations to port and starboard allow precise handling of this power cat in tight marinas.

Key highlights include:

Active 49-passenger COI

Two air-conditioned main-deck salons

Refreshed interior finishes

Bar with beer and wine license and commercial refrigeration

Twin 700 hp Lugger diesel engines

Thorough, up-to-date service history

Solid aluminum hull that slices through moderate chop

Upper-level bridge with full electronics suite

Port and starboard docking stations for easy maneuvering

Ideal for private events, tour operations, and day trips

If you want a large, dependable, and well-maintained commercial charter catamaran/tour boat, The Pelican is in excellent overall condition and turnkey ready to cruise.
