Detailed Vessel Walkthrough

The VIP guest stateroom is situated at the bow and features a queen-sized bed positioned centrally, along with a spacious head that includes a stall shower en-suite. Moving aft down the companionway, you will find the day head on the starboard side, equipped with a stall shower and a private entrance to the second guest stateroom located just behind it. Across the companionway from the second guest stateroom, a tall locker houses the 110V washer and 240V dryer.

Ascending three steps leads you to the Salon, galley, and dinette areas of the yacht. The "U" shaped Galley is located forward on the port side, while the Dinette is conveniently positioned across from it on the starboard side. The main Salon extends aft. A custom-designed stairway, crafted to reduce steepness for easier access, leads down the starboard side past the entrance to the Engine Room and into the Master's Stateroom, which features a generous queen-sized bed and a private head with a separate stall shower.

The enclosed Aft-Deck is accessible via four steps from the salon and is fully air-conditioned, providing stunning views of the surroundings. Wing doors open to the side decks and lead forward to the foredeck. Just three easy steps up from the aft-deck, you will find the fully air-conditioned enclosed Flybridge

and helm station. Additionally, a sliding door from the aft-deck opens to a small line-handling deck, with four steps leading down to the fiberglass cockpit. A transom door connects the cockpit to the fiberglass swim platform.

This yacht is an exceptional opportunity for those looking to buy a yacht in the current boat location, with yacht sales in the area reflecting its luxurious offerings and impeccable condition. Don't miss your chance to own this stunning vessel!
